your clean-cut appearance made a refreshing contribution to our school scene.

"Remember now the Creator in the days of thy youth, when the evil days come not and you say I have no pleasure in them." This is the advice I leave with you. It will be advice which can be of value when youth is gone, the strength has ebbed and the energy has fled. may God be with you.

To the faculty, administration, and student body,  
particularly the class of 1971:

The purpose of a yearbook is difficult to define. Ideally, we feel a yearbook should represent to each student his view of the school, its curriculum, its activities, its people. Yet, this too, is an imperfect description. For how can we two, as editors, or we the staff, numbering fewer than twenty-five, profess to represent the thoughts and feelings of over 2,000 students? Obviously there are too many students with too varied ideas, circumstances, and viewpoints even to hope for that kind of success.

What we have tried to present in the 1971 CAULDRON is the clearest, most accurate and most objective interpretation possible of the past year. The yearbook format changes in headline, write-up, and layout style serve not only to make the yearbook more attractive but to draw your attention more closely to what we have said in interpreting the year.

It is our admission that, while we hope the 1971 CAULDRON will please all its readers, we seek most the approval of the class of 1971, for this yearbook will be their last.

Dan and Karla

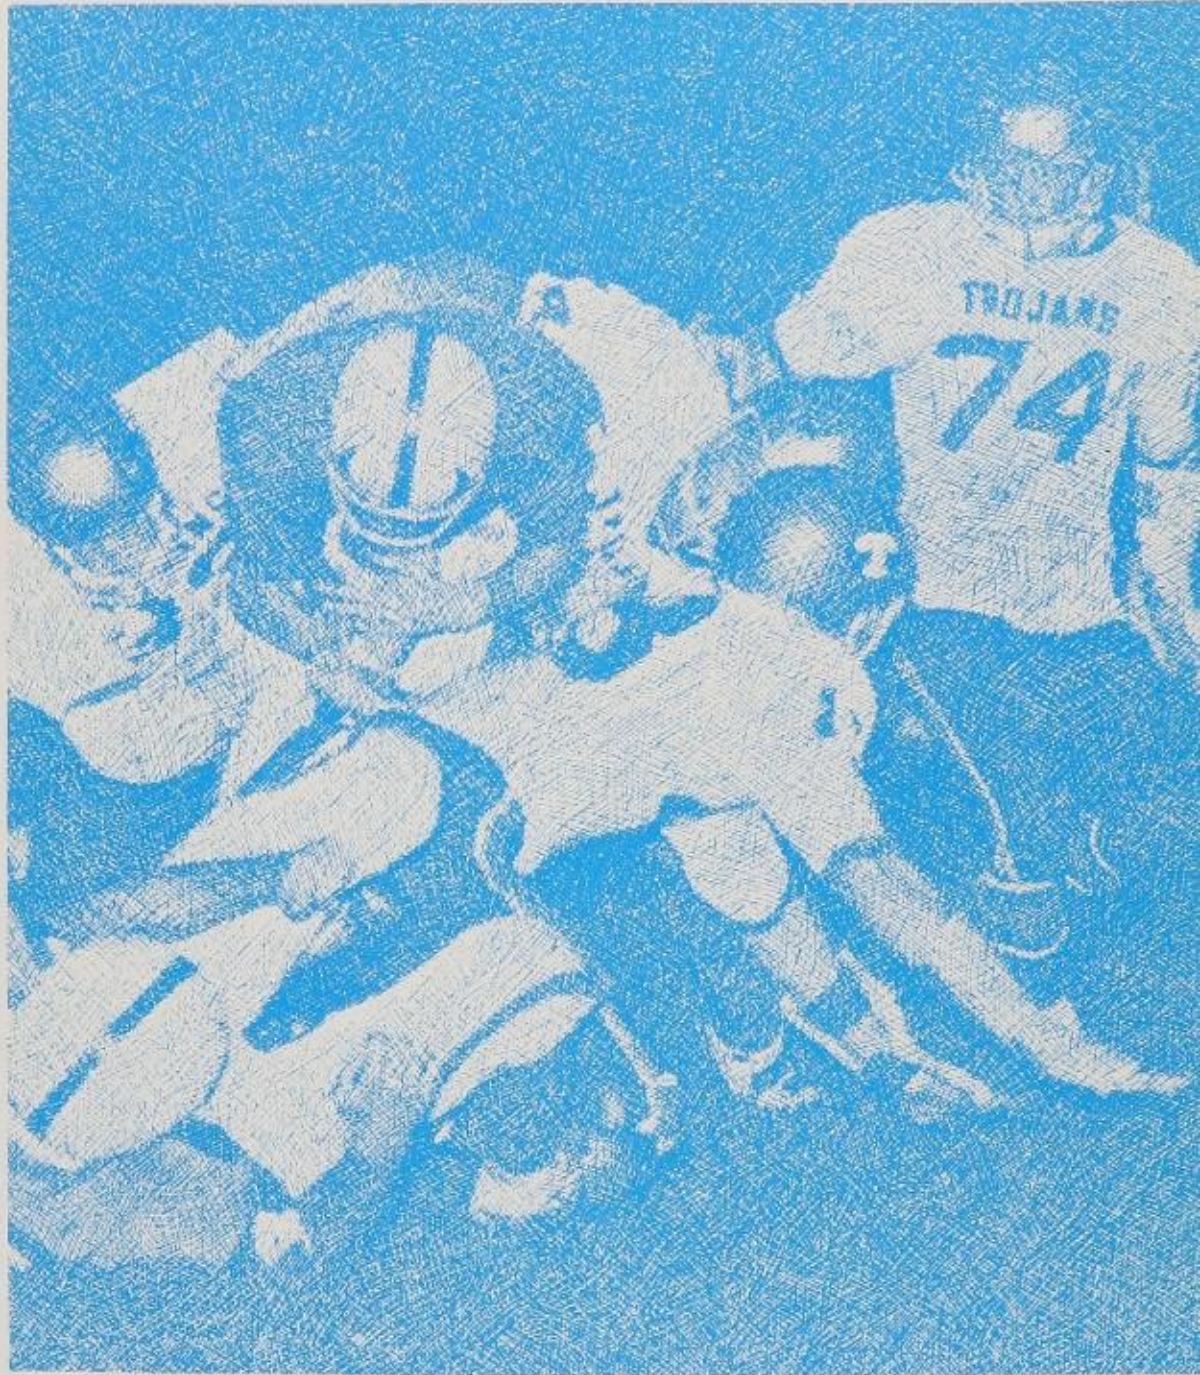

August 31, 1970 was the threshold of a new high school year. For some, it was the first, for others, the last. But all were encompassed by an aura of contradictions; excitement, reluctance, anxiety, stability. Despite the students' misgivings and the school's unreadiness, the Year began and soon all were caught up in its agonies and its ecstasies.

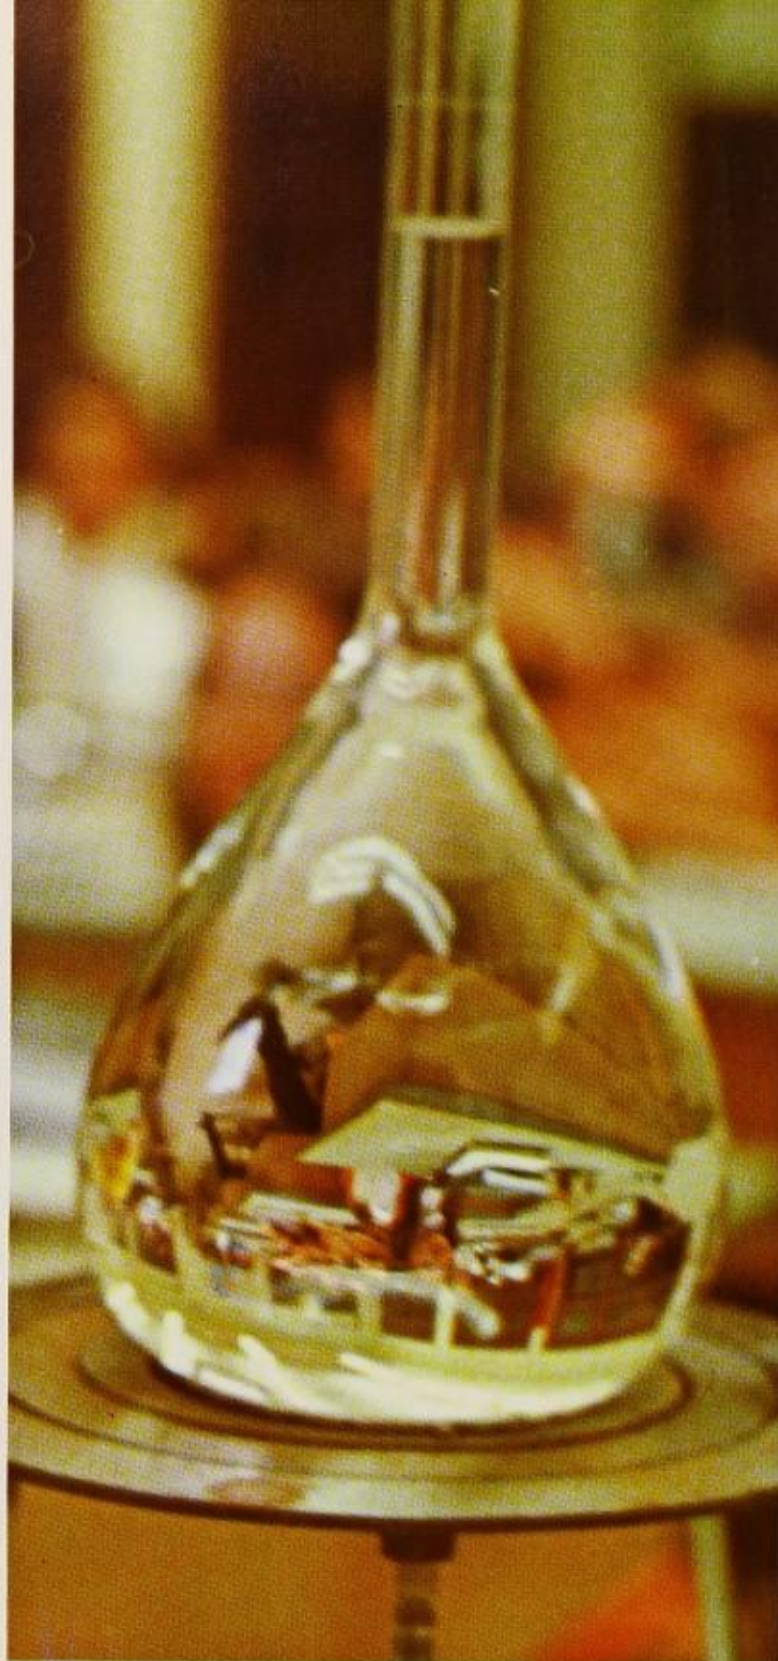

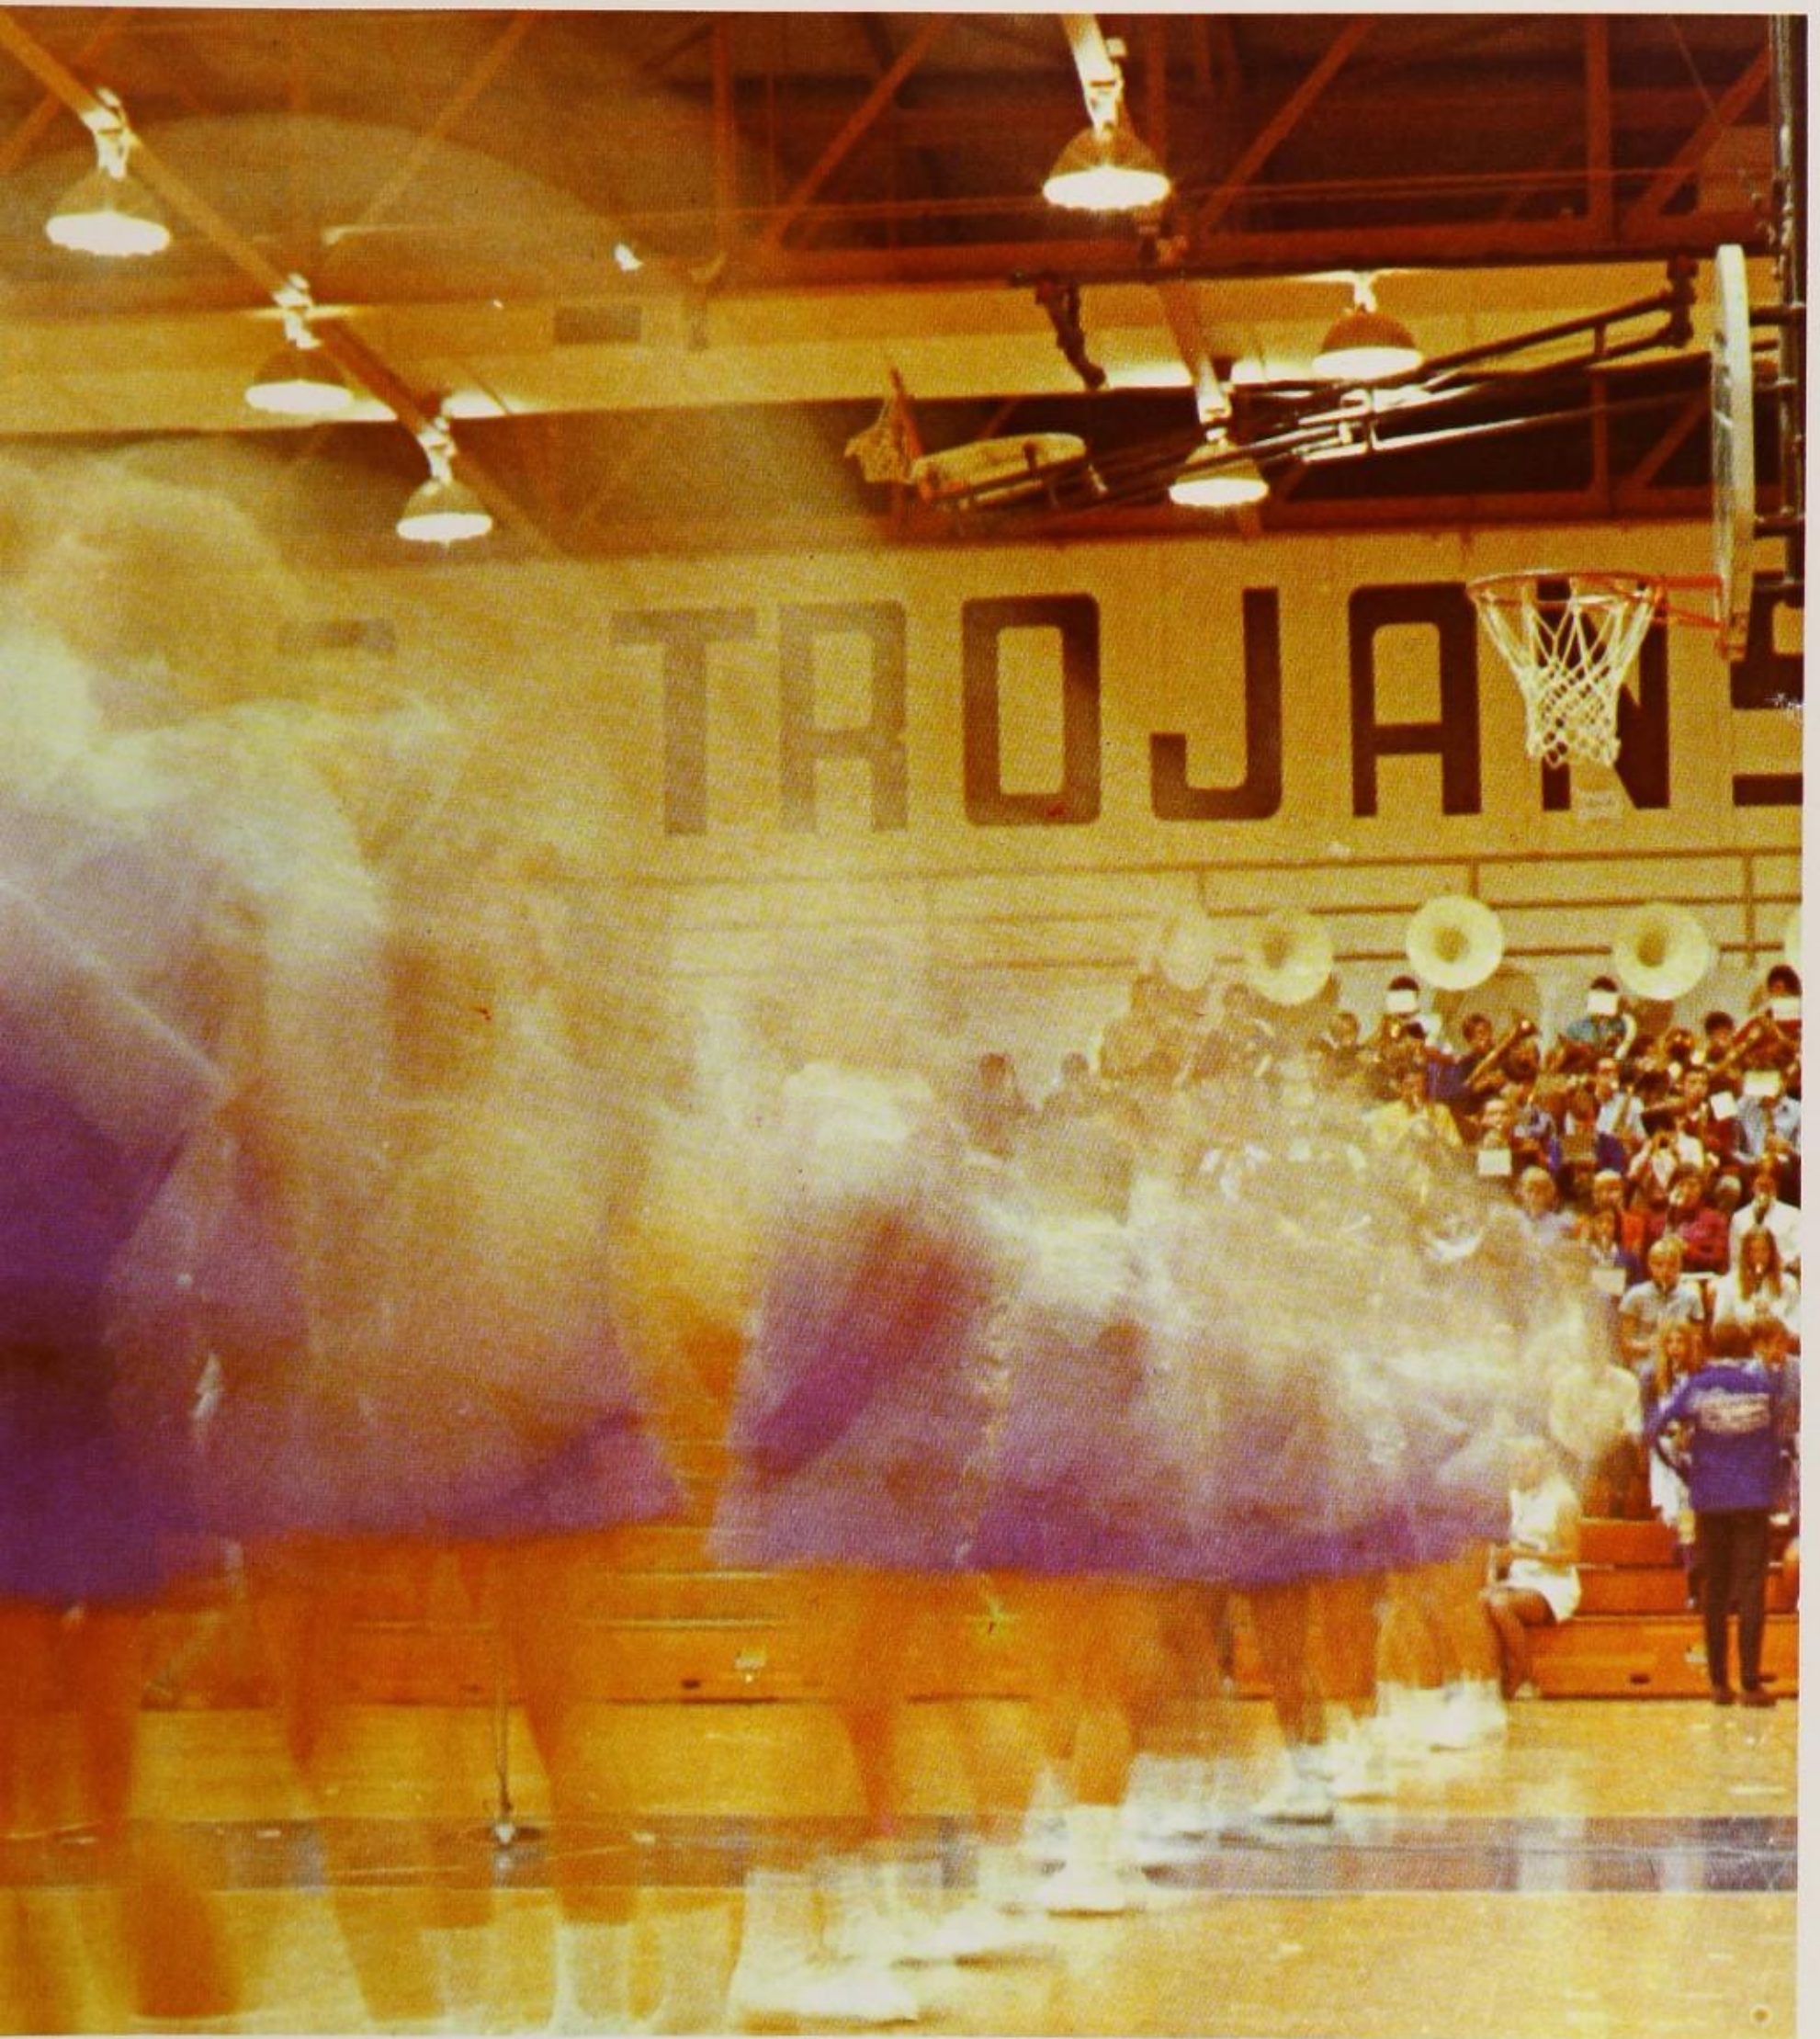

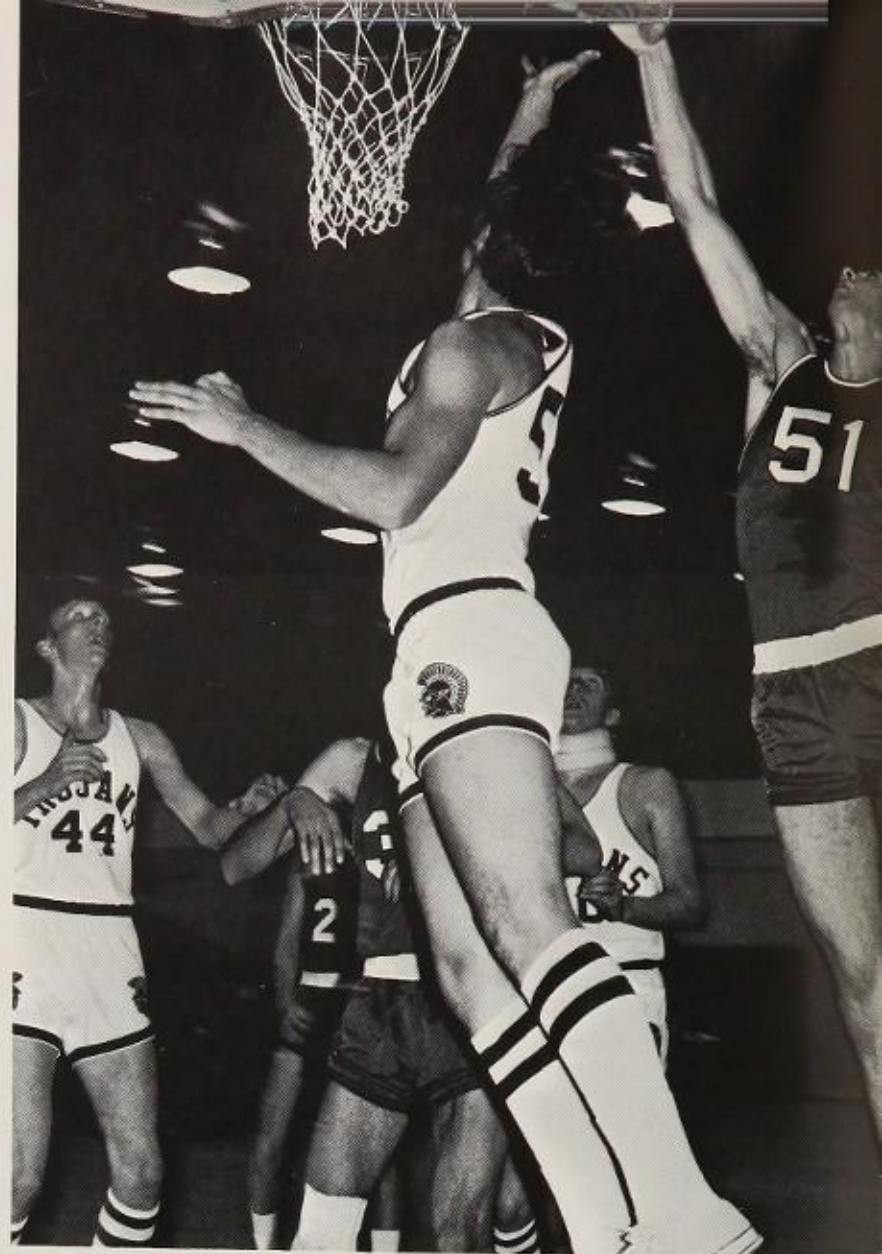

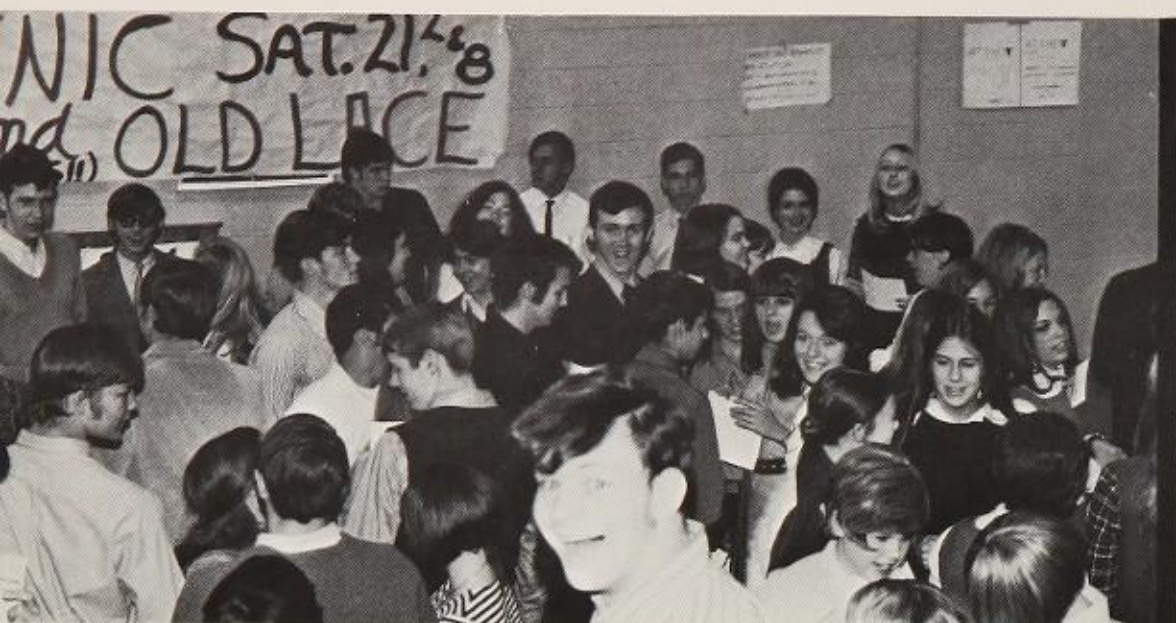

While freshmen were finally beginning to realize that "Commons" meant the study hall in 149, seniors, already weary of the daily routine, dreamed of inviting college campuses. Students broke the monotony of study for semester exams by attending basketball games, wrestling meets, and other forms of entertainment.

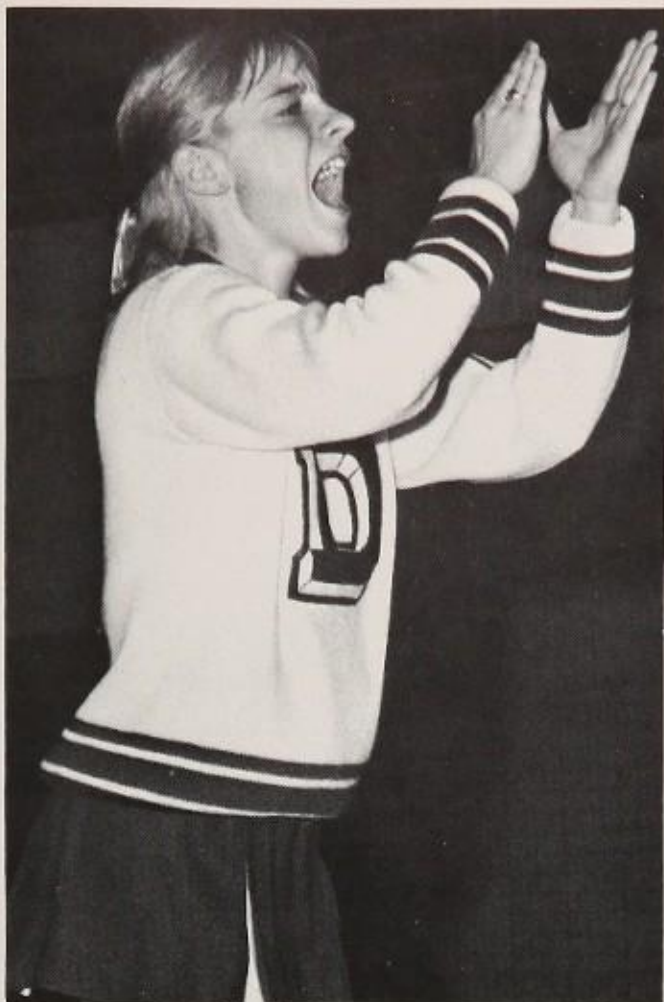

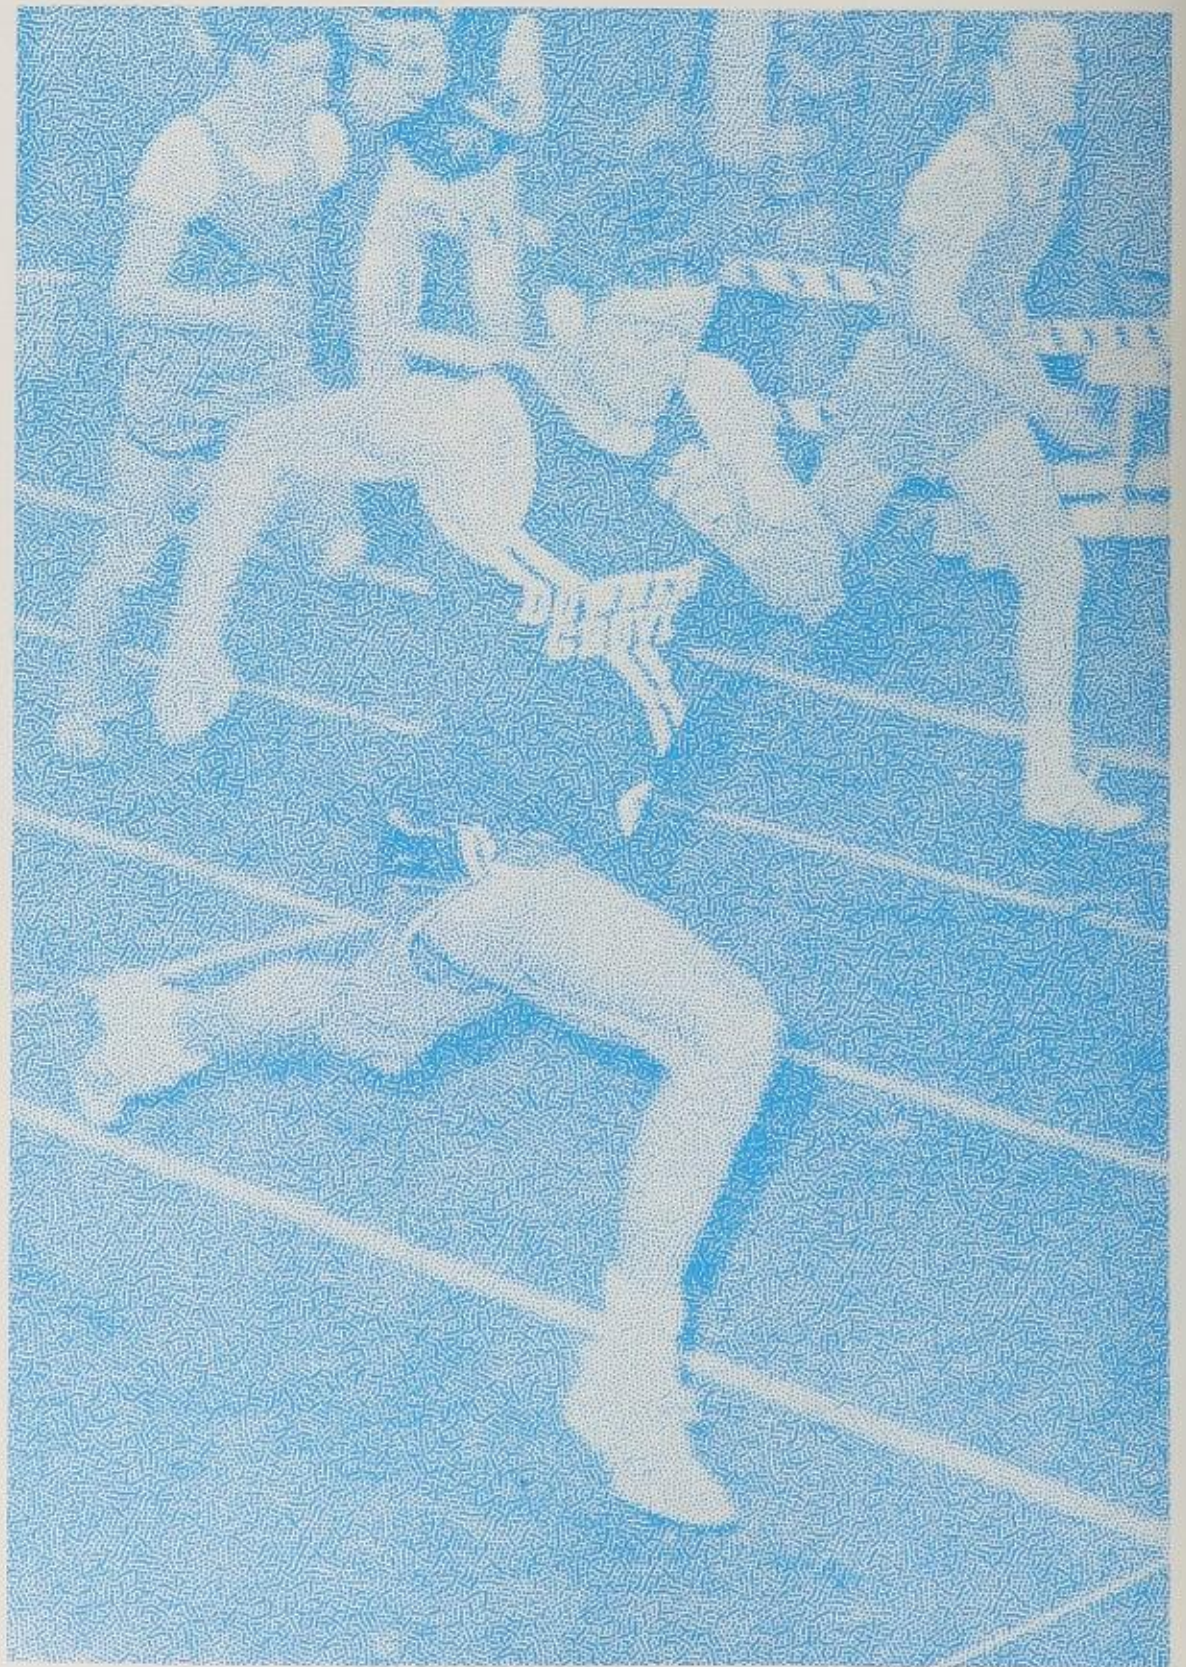

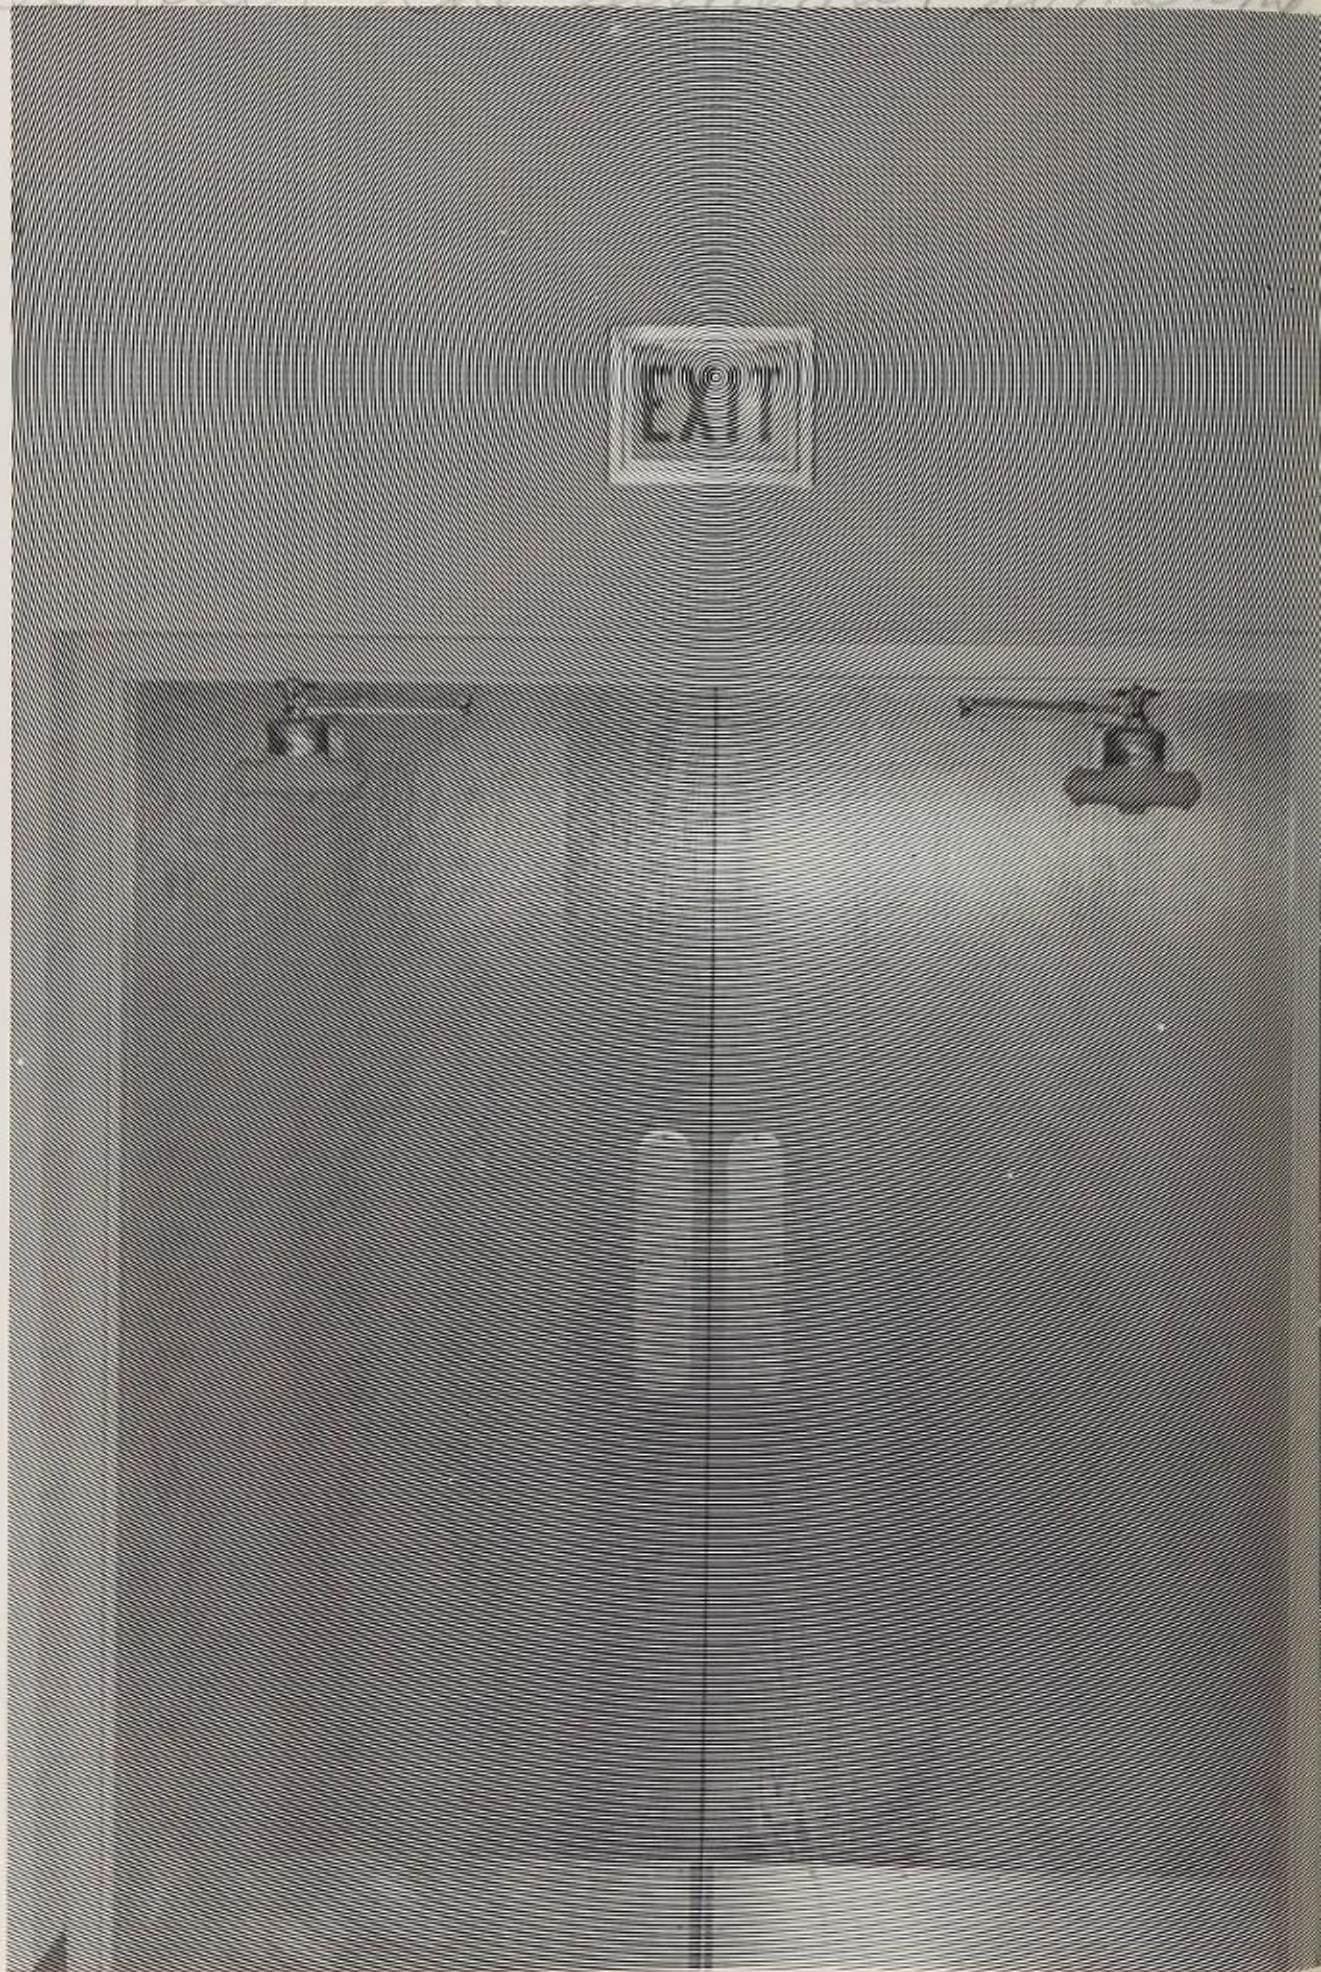

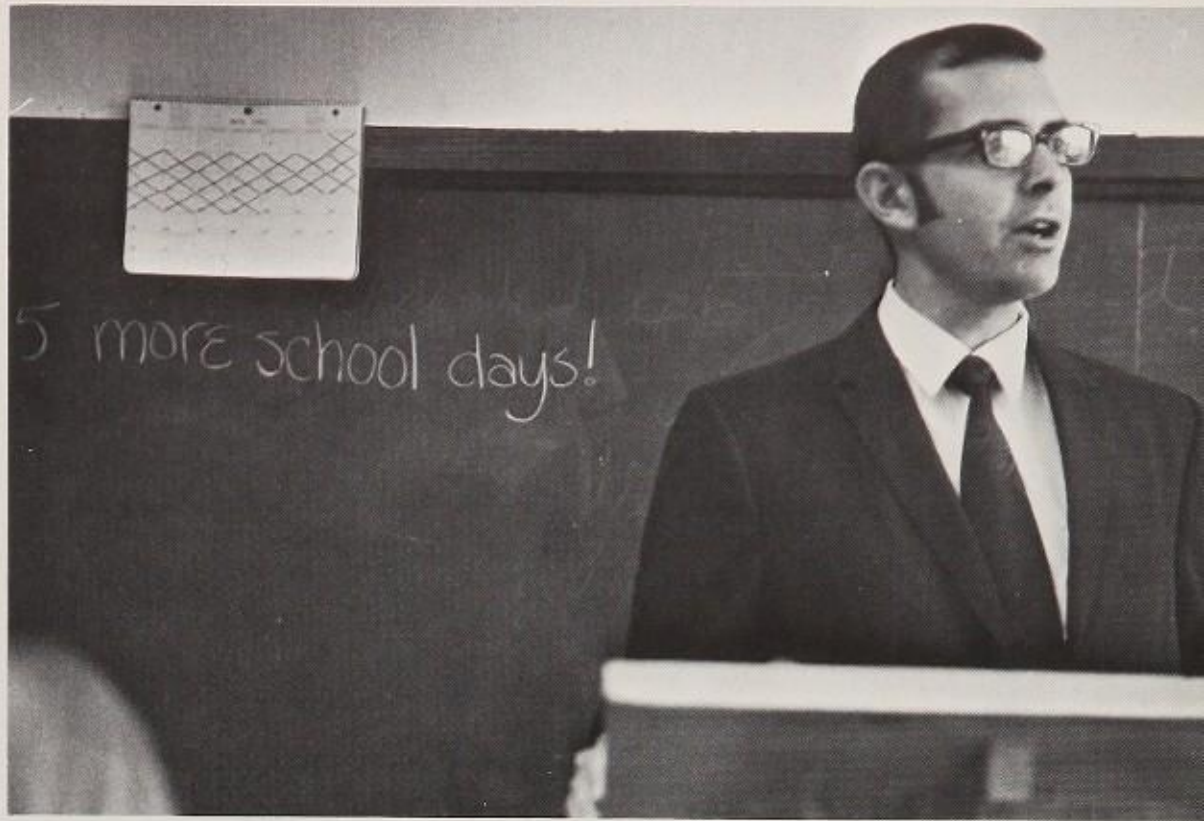

With spring came the lovers of nature and the lovers; the operetta, the prom, the underclass elections and the senior count-down; Graduation, seemingly an indistinct function of the distant future, loomed closer until at last it appeared as the significant reality that it is. Stricken by the perennial plague of senioritis, the class of '71, once eager to "get outa here" paused occasionally to view the flashback of high school memories.

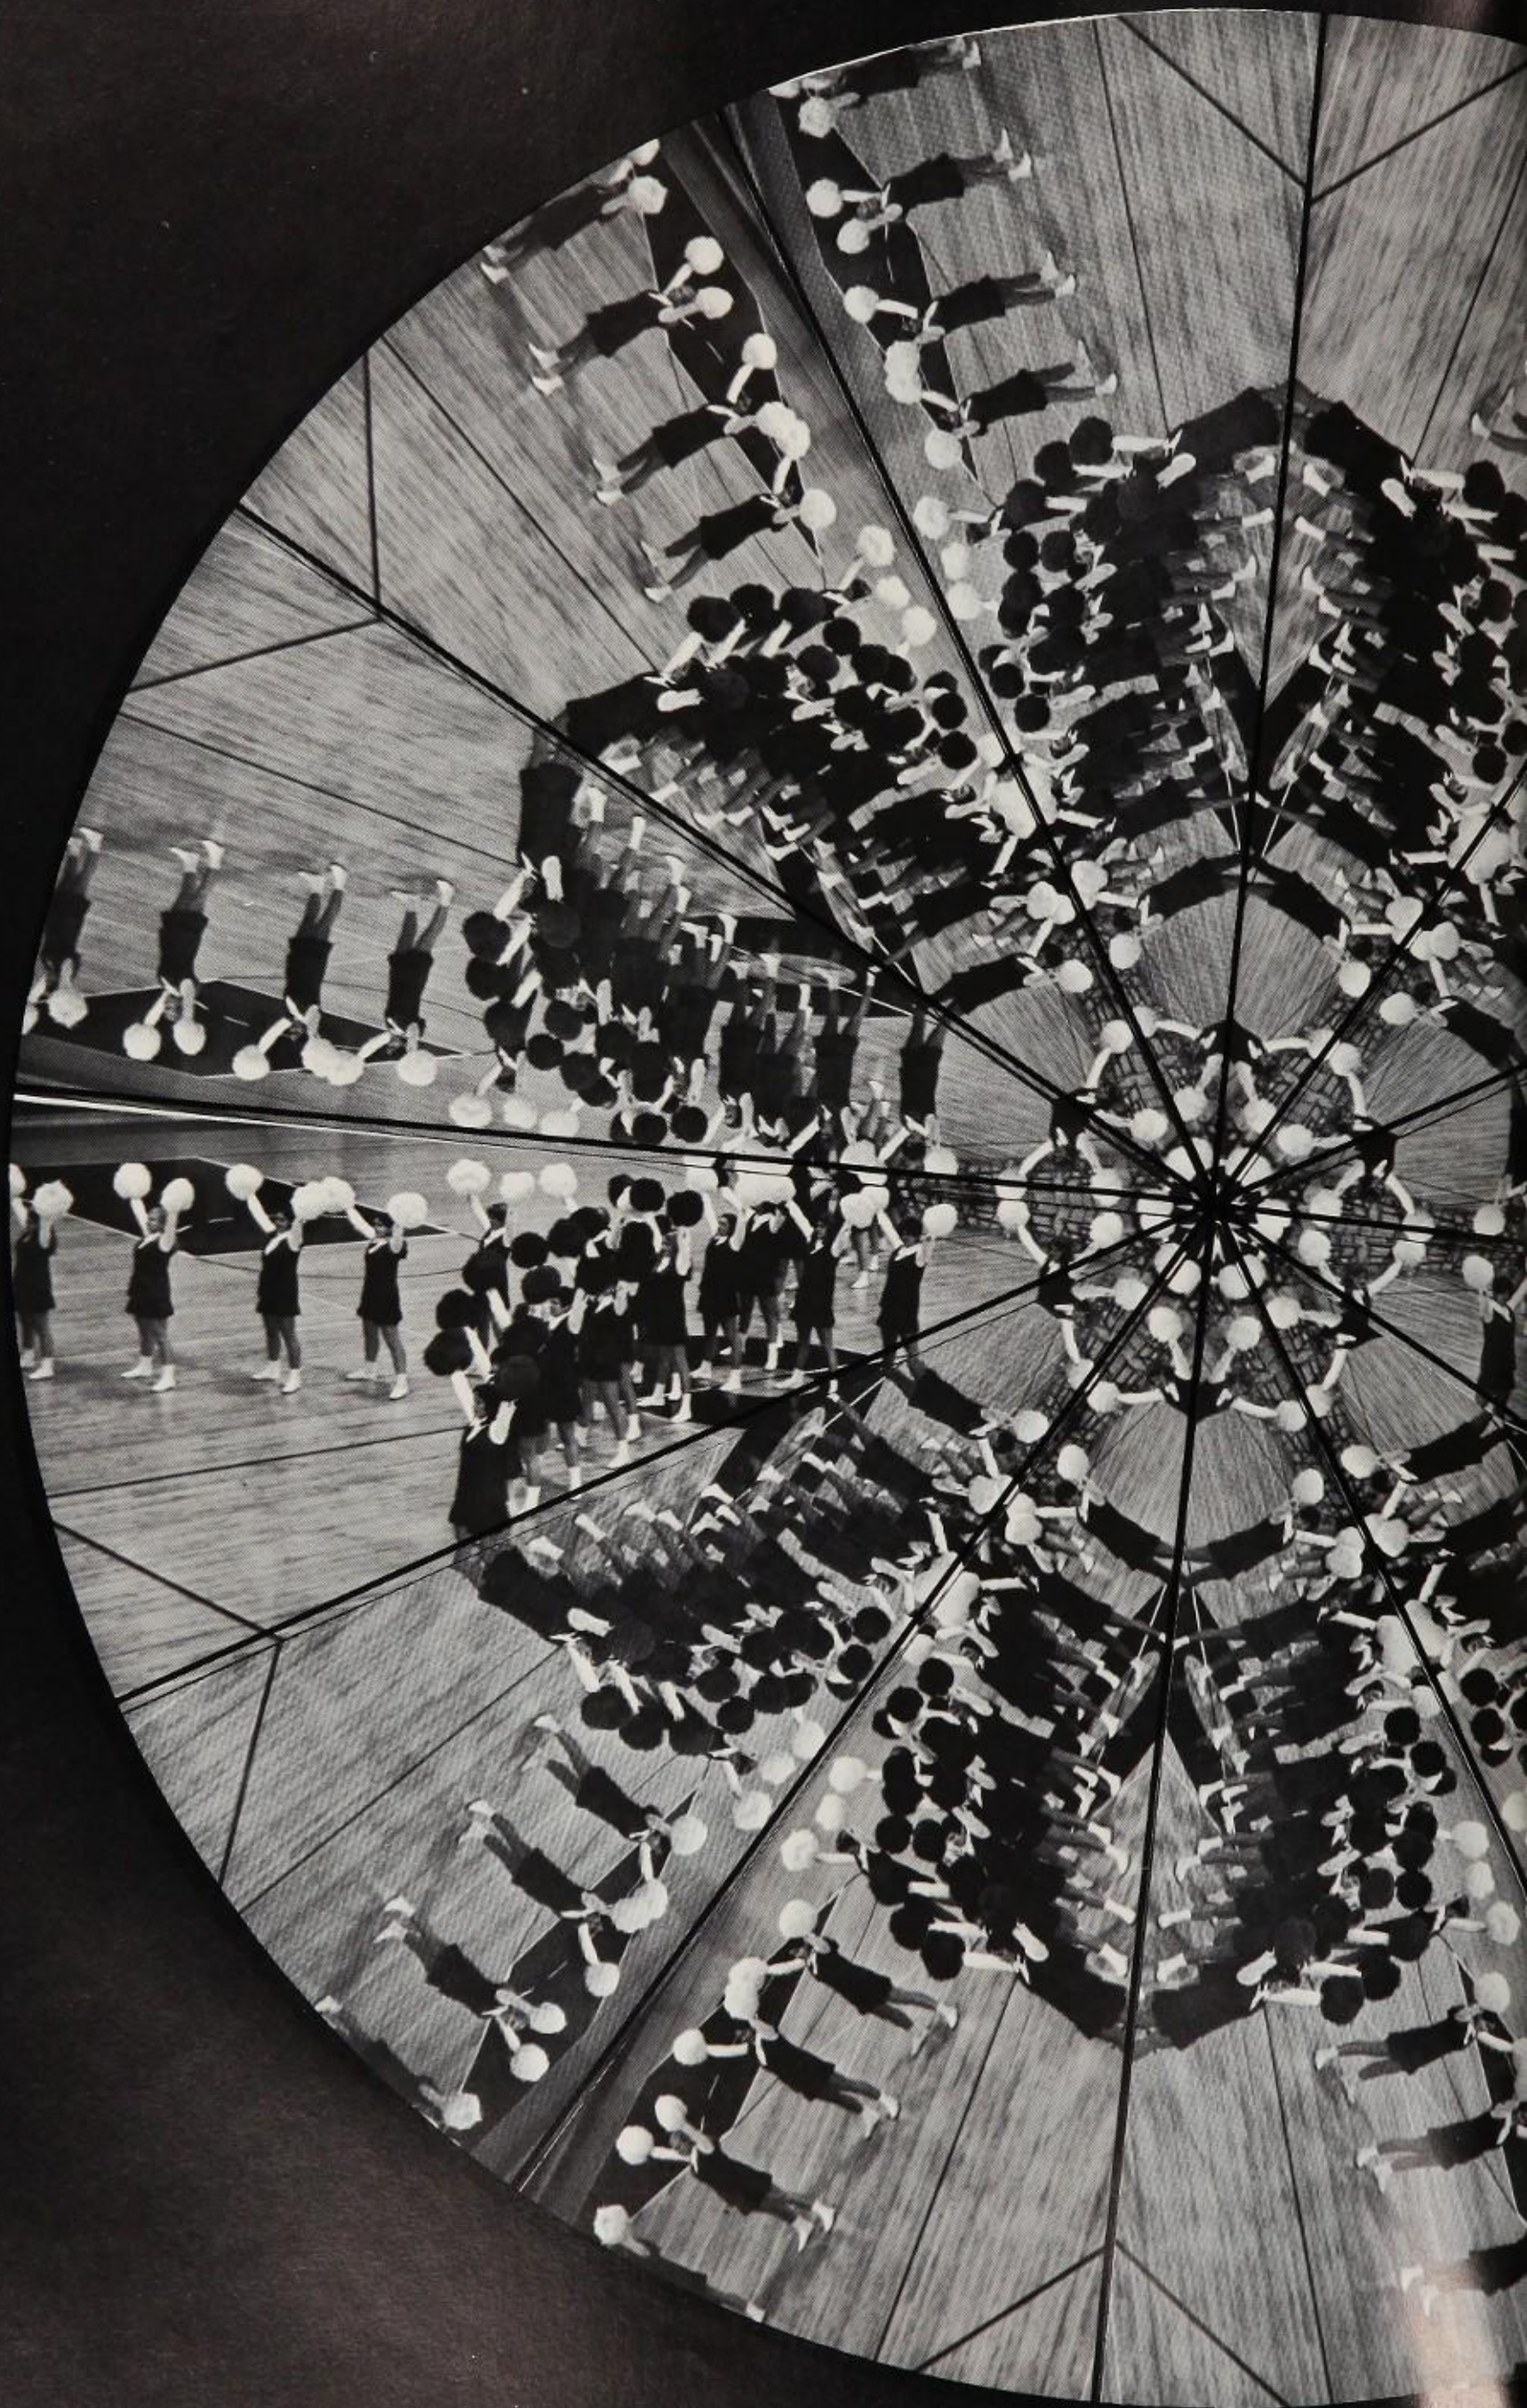

Mat, (sorry about the pencil, but my pen ran out) I'm glad I got to know you in gym (that sounds funny) I think that together we solved alot of Lucretia's problems. Let's hope so at least. Have a fantastic summer and maybe Carol's mom will relent. Be good — Julie — I guess I'm bound to see you at Beegles over the summer sometime

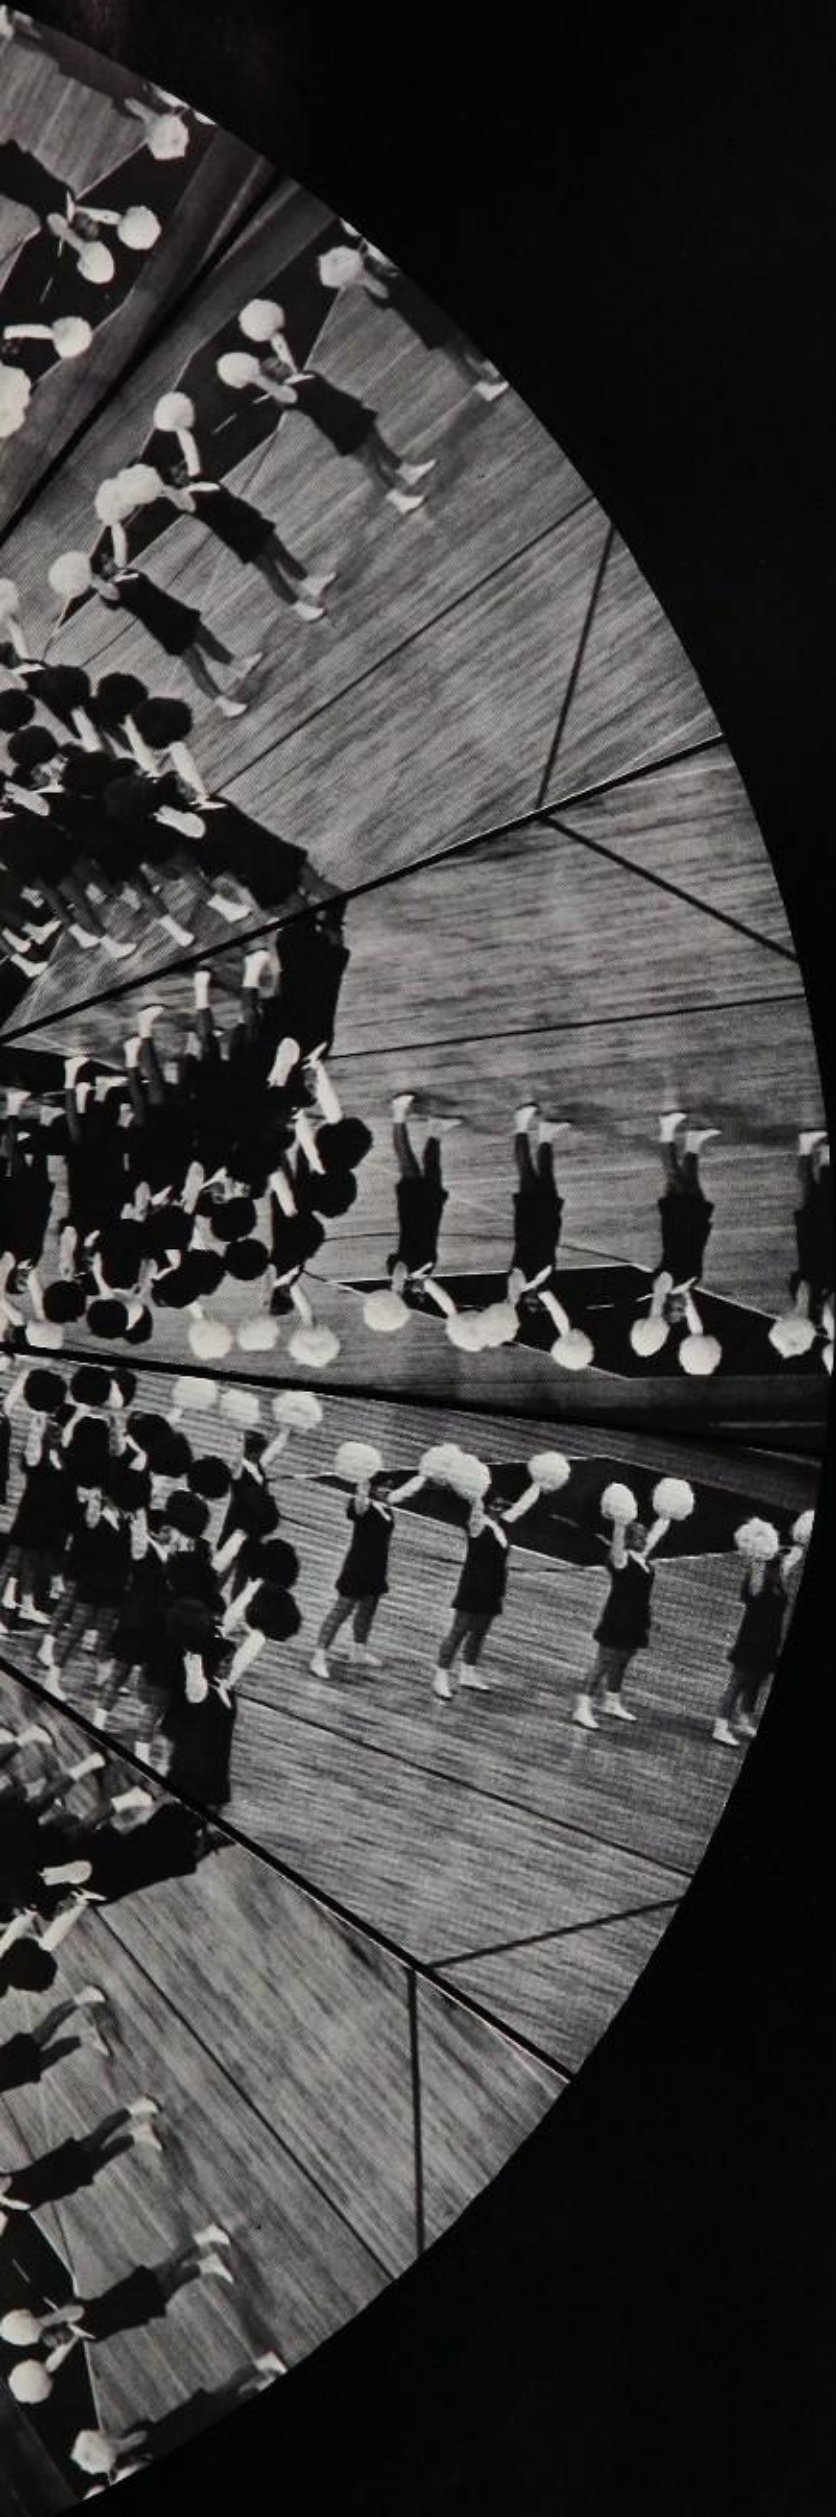

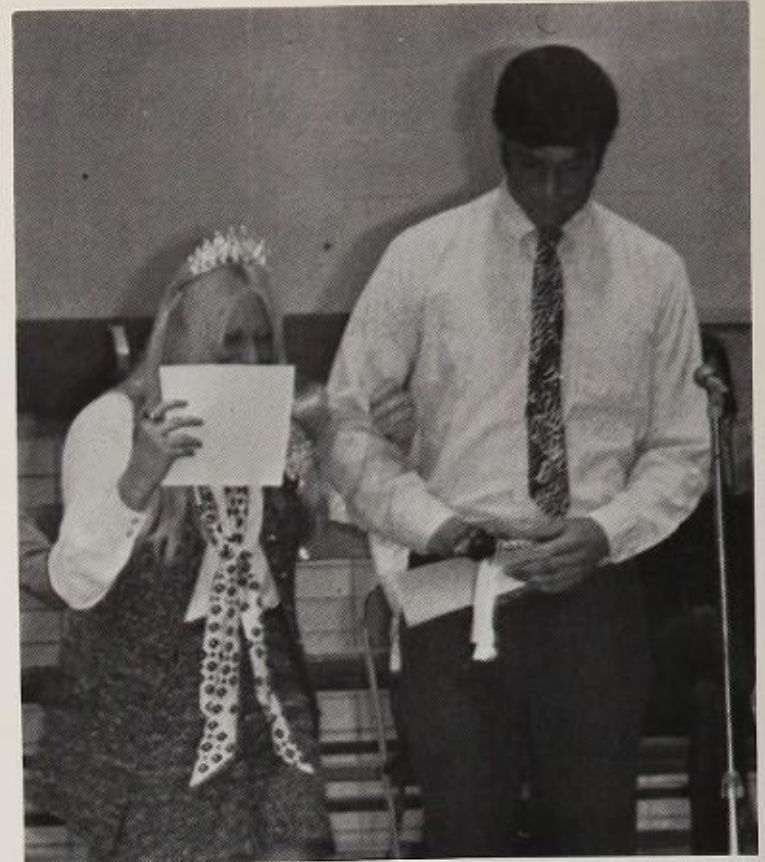

# ACTIVITIES

1970 Homecoming with its "Roaring 20's" theme represented the culmination of months of work and planning under the direction of Mrs. Diane Erpenbach and Miss Holly Harden, faculty sponsors, and student co-chairmen, Rick Ruthhardt and Sue Thomsen. Homecoming festivities began with the Powder Puff Game on Wednesday, October 14, which resulted in a victory for the seniors.

Excitement mounted, as students went about the usual frenzied pre-Homecoming activities of getting dates, building floats, and selecting just the right fashions for the dance. Tears of joy and tears of disappointment were mingled as the king, queen, and their court were announced Friday morning at the pre-game pep assembly.

After school the traditional Homecoming parade made its way down Main Street and at night the Trojan varsity team regrettably lost to the Proviso Panthers. The girls' gym was transformed into Carstenville, Saturday evening at the Homecoming dance, "Those Were the Days," as couples danced to the music of Don Carone and His Orchestra.

Randi Russell and Gary Wonsowski are announced as the 1970 Homecoming Queen and King.

# 1971 CAULDRON Staff Breaks with Established Yearbook Rules to Produce a Unique Book While Having Some Extracurricular Fun, Too

Editors Dan Liberty and Karla Rice

Working together to produce a distinctive yearbook, the 1971 CAULDRON Staff, sponsored by Mrs. Catherine McKinney, and under the leadership of Editors Karla Rice and Dan Liberty, confronted each deadline with a last minute push and an eye on celebrating. The challenge of uniquely recording the events of the 1970-71 school year was met with many hours of work and a fresh supply of ideas.

A new addition to the staff was photographer Rusty Zabler, enabling CAULDRON to provide more complete school coverage. Plans for the general layout were completed by the editors during the summer. Section editors, copy editor, typists, and business coordinator each contributed his specialized services to the completion of the yearbook as the editors supervised each aspect of the operation.

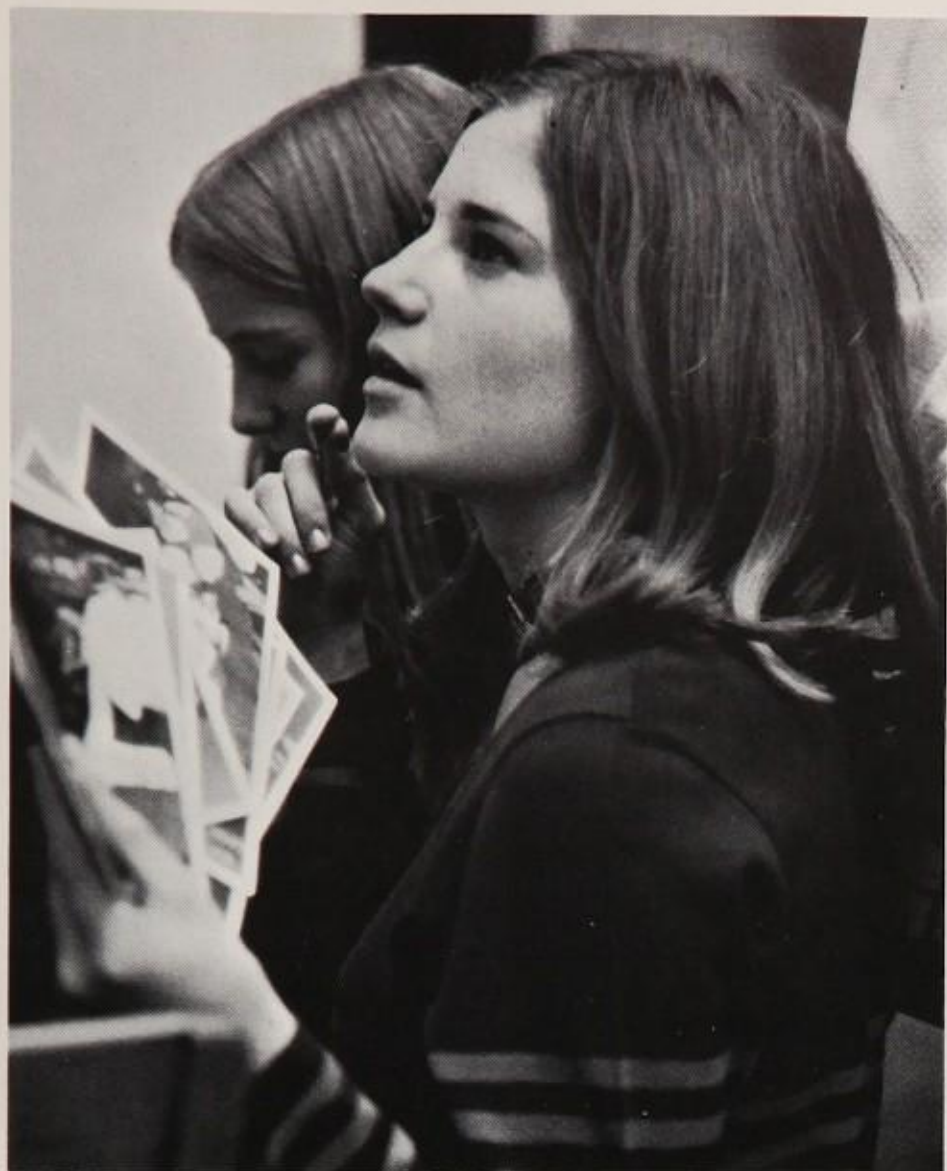

Meeting deadlines involves late hours, hard work, and many headaches.

Editor Leslie Hultman and her enthusiastic staff gave the school newspaper a new compact look with the first issue in the fall. A school-wide contest was held to select a new name in November, and by March, HIGH LIFE had become OMEGA. While increasing their skills and interests in newspaper journalism, HIGH LIFE staff members provided the student body with features and editorials as well as with a comprehensive account of school activities. The staff met daily 10th period with their advisor, Miss Georgia Tortorella, and concentrated on the many details necessary to meet publication deadlines.

## Concerts, Appearances Keep Singing Groups in Demand

Kim Strauss sings a solo at the annual Christmas concert.

Along with annual fall, spring, and Christmas concerts, A CAPELLA appeared on television's Channel 11 as a guest choir. Led by the able hands of Director Mr. Richard Hart, the 88 member choir composed of vocally talented junior and senior boys and senior girls presented "How to Succeed in Business Without Really Trying" and joined with the other choruses to perform "Twas the Night Before Christmas" for the Christmas concert and assembly.

Seventeen members of A CAPELLA, selected for their ability to blend well, comprised the new CHAMBER CHOIR, formerly the Madrigal Choir. New outfits accompanied the new names as the Chamber Choir performed before many local, civic, and social groups and were featured at A CAPELLA Concerts.

## Business from a Book Is the Topic of the 1971 Operetta

*Rosemary*—Kathy Coultier, *J. Pierpont Finch*—Kim Strauss

Musical and dramatic talents combined to produce Frank Loesser's Broadway hit, "How To Succeed In Business Without Really Trying," March 26 and 27 in the DGN auditorium. The story showed a comic side of the business world as J. Pierpont Finch, an ambitious young man, rose to the top of a large company by following the directions of a little manual telling him how to meet the "right" people, and once met, how to treat them. Complicating his climb upwards were Bud Frump, Mr. Biggley's whining nephew, and Hedy LaRue, the big boss's girl friend. All ended happily when Finch became chairman of the board and a husband to Rosemary, the secretary who fell in love with him at first sight back in the days when he was only an office boy.

Mr. Richard Hart, Musical Director, Mr. Fred Moore, Drama Director, Mrs. Laura Grant, Choreographer, and Mr. John Fuhrken, Set Designer, provided adult supervision for this student production.

Each band individually, however, pursued its own specialized activities. The Wind Ensemble, playing complete concert music, performed at the Veterans' Assembly, Christmas Assembly and Christmas Concert. The Concert Band, also played full concert music while members of the Cadet Band involved themselves with music work and study.

Leading the Marching Band onto the field with a flair of color, were the Majorettes. Their performances during the basketball season were accented by their new uniforms.

INTRAMURALS, sponsored by P.E. teacher, Miss E. June Miller, and offered for the first time this year, provided an after school opportunity for DGN girls to keep up on their athletic interests. Held Monday and Wednesday after school, INTRAMURALS were open to all girls in school and offered experience and fun in many different sports, including volleyball, trampoline, and basketball.

Acting as a service club as well, members sold refreshments at all home football games and performed service projects for the school and community.

An honorary organization comprised of boys who have earned a letter in varsity sports competition, D-CLUB, under the direction of Mr. Stephen Oracko, had as its purpose the encouraging of an interest in athletics and the promoting of good sportsmanship. Providing services to the school such as ushering and selling programs at athletic events, members also enjoyed active participation in their own sports nights and group attendance at professional sports events in the area.

## Athenas Fire Spirit With New Style; Cheerleaders Spark

Stools, new uniforms, and a new precision march stylized the new ATHENA DRILL CORPS under the direction of a new sponsor, Miss Pat McJoynt. Props and gloves displayed an array of purple and white. Promoting the goal of school spirit, the ATHENAS performed at all home games. The girls in purple were seen selling scarves, sweatshirts and doughnuts, attending Band Day at Northwestern University, and putting on their first annual Spring Show.

With a purple and white spirit stick and a can that cheers when opened, the '70-'71 CHEERLEADERS discovered new props sparking greater-than-ever spirit. Our enthusiastic cheerleaders decorated goalposts, made hoops, had a Christmas dinner, and sold stationery and T-shirts under the guidance of Miss McJoynt.

## Trojan Country!

SCHOOL SPIRIT ran high as students turned out to back their teams. SPIRIT meant cheerleaders, Athenas, pep band, and, of course, the athletes and their coaches. SPIRIT was screaming, yelling, and waking up a little hoarse the next morning. SPIRIT programmed us to react to purple and white, especially on Fridays. It was the best of feelings when we were winning and the worst of feelings when we were losing. Everyone felt it, from the principal down to the lowliest freshman. And, in the midst of personal worries and frustration, we found we could lose ourselves in the SPIRIT of the moment, the pride of belonging to DGN.

Despite a superior defensive unit and an offense that boasted four All-Conference selections, the Trojan Football squad of 1970 could not regain their title as West Suburban Conference champions. The Trojans recovered from a 12-0 Homecoming loss at the hands of Priviso, to beat previously undefeated Riverside-Brookfield. Downers' hopes of regaining the bucket dissolved with a 7-6 loss to the Hinsdale Red Devils. Downers finished the season shutting out York's Dukes 14-0.

In past-season balloting six Trojans received All-Conference honors. They are: Paul Blair, tackle; Bob Daszkiewicz, halfback; Ken Doty, fullback; Jim Knox, linebacker; Greg Pan-kow, center; and Gary Wonsowski, end. Knox was also selected as Most Valuable Player.

## Key Injuries Stall Soph Football After Quick Start

Coach Bill Walker's SOPHOMORE FOOTBALL team began the season with three consecutive victories over Naperville, Maine East, and LaGrange, compiling an overall margin of 54-14. The Sophs trounced Naperville's Redskins 28-0 with quarterback Jim O'Flaherty running for two touchdowns and passing to fullback Lee Clore for another. The turning point in the season proved to be on Oct. 9 when the Ponies took on Glenbard West. They were shutout 22-0 and went on to lose their remaining four conference games. Several players distinguished themselves as future varsity prospects. Among them are Clore, O'Flaherty, Jeff Somers, Fran Paradise, Mark Guise, and Todd Kendon.

# Cross Country Matures, Develops Future Talent

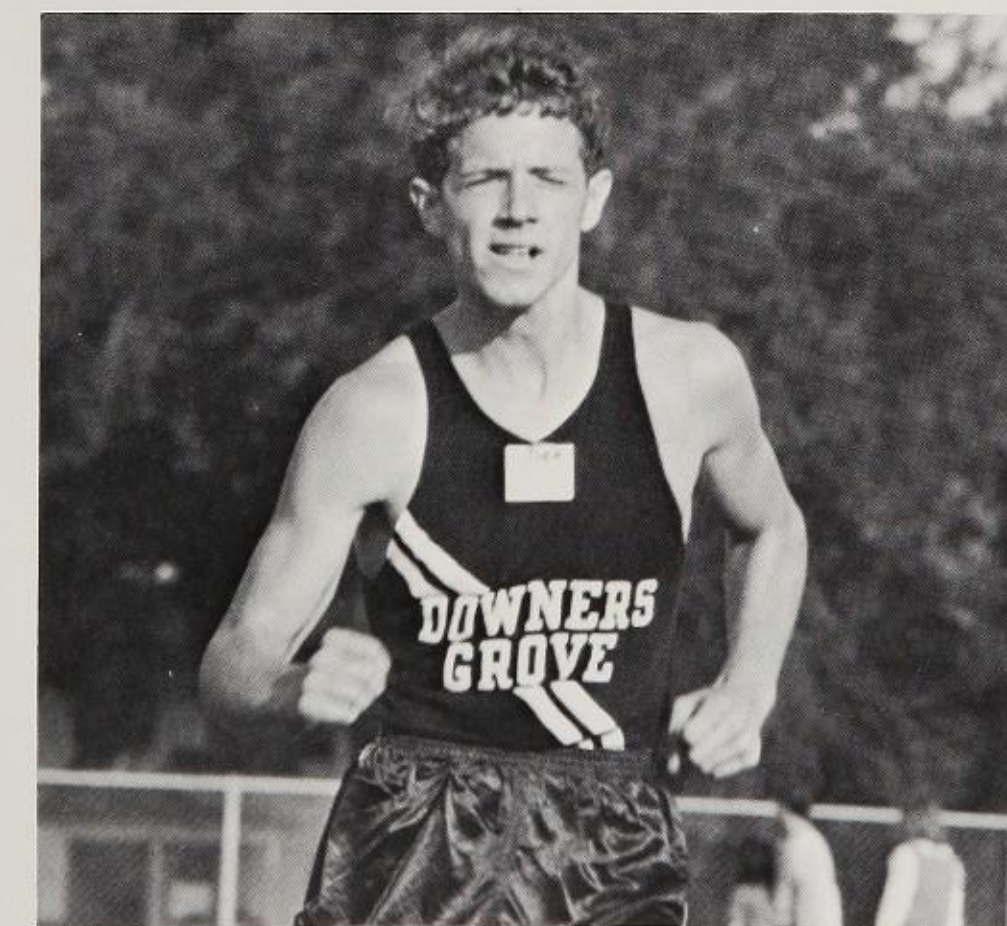

Chuck Mc Masters races on to the finish line.

Head Cross Country Coach Charles Gosling: "Despite the hard work of a very few dedicated individuals, the 1970 varsity cross country season was certainly a sad chapter in the annals of Downers North's athletic history." The 1970 squad lost every conference meet and lost to virtually all its non-conference competition. One reason for this failure was that the varsity team consisted of only five runners (three seniors and two juniors). The impossibility of their success certainly must be regarded as a mental as well as physical barrier.

On the sophomore level, Bruce Ritter's team also ran to a last place finish in conference competition. Perhaps a bright spot for future cross country teams is the performance of sophomore Joe King. Joe led the team in all respects and established a new DGN sophomore course record.

## Varsity Basketball Plays Better Than 4-10 Record Shows

Varsity Basketball Coach Lloyd Wasmer: "You can't judge a team by its won loss record. This year's team was a winner." Although the team was inconsistent, at times they were exceptionally sharp. The Trojans played in a number of exciting contests including a 71-67 loss to Conference Champ LaGrange in the Proviso West Christmas Tournament and a 71-64 victory over Maine East.

The team was led by all-conference center Gary Wonsowski who paced the team in total rebounds despite being hampered by a knee injury. The Trojan attack was greatly strengthened by senior guard Jack Branta, the leading scorer, and sophomore playmaker Jim O'Flaherty. Other outstanding players were senior forwards Ken Logan, Dennis Williamson, Keith Lezatte, and junior Wally Siek.

## Sophomore Squad Wins First Four But Fades Quickly

The SOPHOMORE BASKETBALL team got off to a quick start this year winning its first four games including a conference decision over Maine East. Lacking knowledge of the basic fundamentals, the squad found it difficult to continue its winning ways, finishing with a 7-14 overall record. Coach Jack Krueger stressed his team's desire and perpetual hustling.

One of the highlights of their season was a 67-56 win over York, the first sophomore victory for Downers North over York in eight years.

Mike McCarroll led the team in scoring ahead of other key players Jim Reinert and Fran Paradise. Each of these boys figure to strengthen the '72 and '73 varsity squads.

## Wrestling Squad Lacks Depth; Sends Strauss Downstate

Exceptional competition in the West Suburban Conference outdistanced the Trojan wrestling squad which finished with a 1-6 conference record. Lack of experienced wrestlers proved to be the team's biggest flaw as they went with only four senior wrestlers. Coach Bill Walker, apparently not surprised by the team's record, stated, "A team cannot expect to win on the varsity level in the West Suburban Conference with underclassmen."

Co-captains Ken Doty and Kim Strauss led the team posting individual records of 15-4-3 and 17-5-1. Doty and junior Chuck Long took top honors in the District Wrestling meet while Strauss and Greg Pankow placed second. Strauss went on to place second in the Sectional Meet, earning the right to represent Downers Grove North in the State Meet at the University of Illinois Urbana campus. Bruce Ritter's sophomore squad wrestled to a 3-3-1 record, twice being narrowly defeated by margins of less than 3 points. Top performers for the sophomore matmen were John Woodward, Tim Siewak, Ed Johnson, and Gary Lesenbury.

# Swim Team Wins First Meet Ever; Breaks a Number of Team Records

In its most productive season yet, the 1970-71 SWIM TEAM, coached by Mr. Tom Hayek, broke nine of eleven team records. In an expanded program of nine dual meets, the swim team won its first meet ever (a 59 to 35 triumph over West Leyden) and was followed up with a pair of victories later in the season. One of those victories was a 73-22 defeat of Downers Grove South in which the Trojans swept every first place.

The season was climaxed by an exceptional showing at the district swim meet. The squad scored a record high of 93 points while placing seventh in a field of twelve teams. Contributing to the success of this year's team were top swimmers Joe Jackson, Breck Turner, Vince Autrey, and Craig Mikolas.

## Gymnastics Team Builds Potential for Future Seasons

Participating in a relatively young sport at Downers Grove North, the GYMNASTICS team is still in a process of development. Gordon Johnson, in his third season as head coach, stated, "It takes four or five years to build up a competitive gymnastics team." The effects of this maturation process can be seen in this year's sophomore team. Although losing to each of its conference opponents, the sophomore squad ran up high scores in each of its meets and is considered by Coach Johnson to be "the best sophomore team ever at this high school."

The varsity squad also finished with an 0-7 record, but did beat Riverside-Brookfield in the conference meet to take seventh place. Despite its standing in the conference the varsity team was able to boast several fine gymnasts. Among these are seniors Gary Strakshus, Bill Mahar, and Tom LaLonde and juniors Bill Pfeiffer, Marty Jalovek, and Frank Melhausen.

## Track Team in Rebuilding Stages Looks to the Future

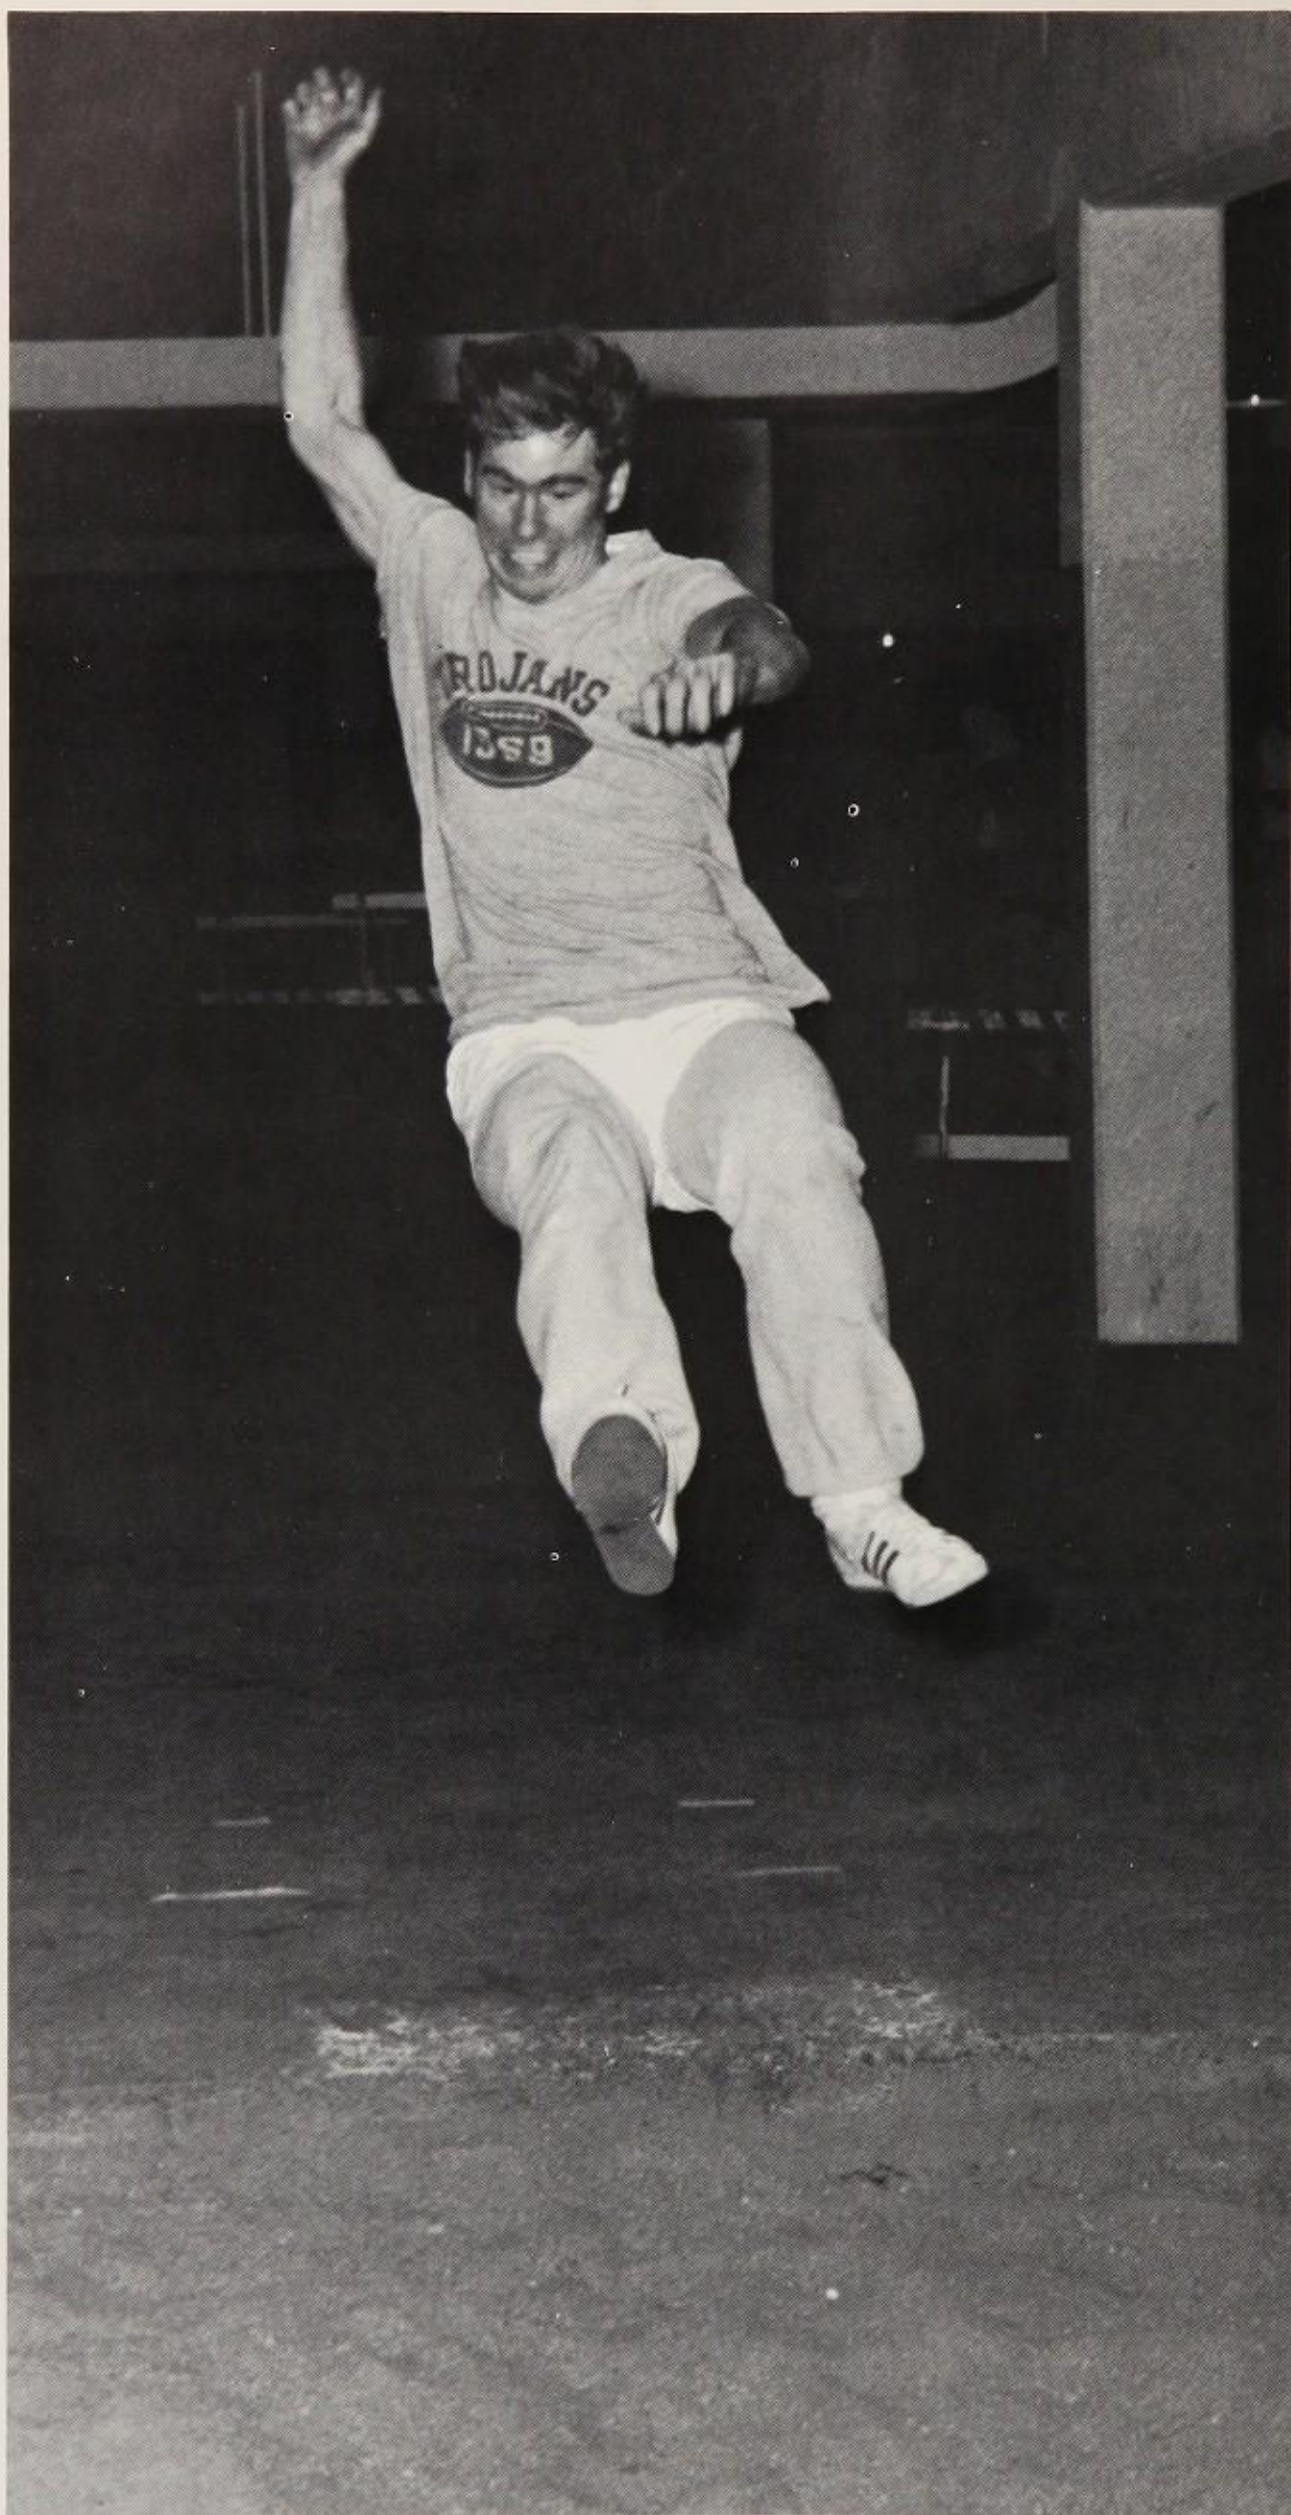

Coach Paul Seaman, in his second season of working to rebuild the sport of TRACK at Downers Grove North, further strengthened the available talent at this school. Although the squad, as a team, could not run competitively in the super West Suburban Conference, several individuals proved themselves very capable athletes. Among these were Tom Wollney, Scott Norton, and the mile relay team of Jim Knox, Kent Moeller, Ray Loy, and Bill Hartigan. Seniors Dan Mahaffey, Pat O'Flaherty, and Paul Blair added greatly to the Trojan effort. A number of fine underclass cindermen gave Coach Seaman cause to further improvement in the Downers North track corps in future seasons.

Ray Loy flies over that last hurdle.

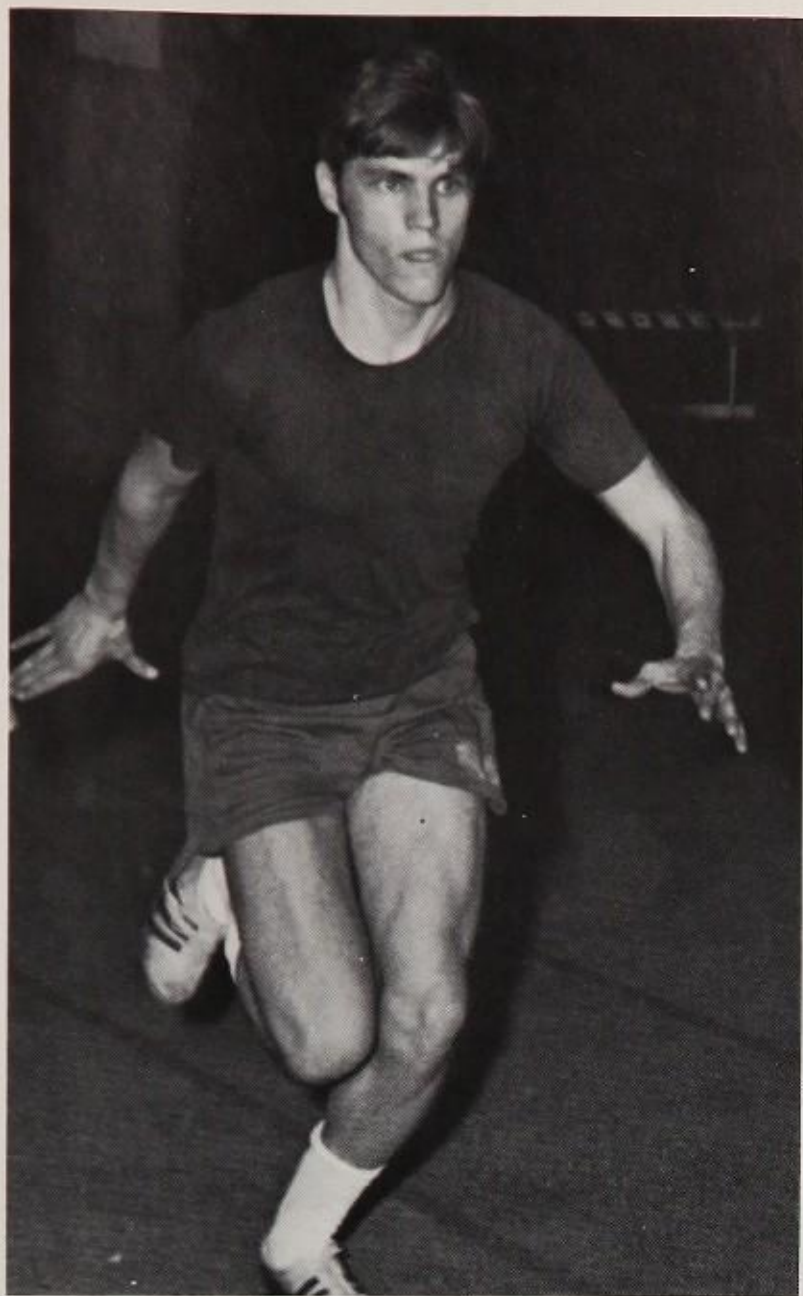

Paul Peters struggles over the high bar.

Pat O'Flaherty grits his teeth in determination.

Kent Moeller speeds on for another relay victory.

## Trojan Golf Team Hosts District and Conference Meets

Coach Dick Carstens began the 1971 golf season with an air of optimism despite the fact that his team lacked the depth of some of their opponents.

The Downers Club hosted both the West Suburban Conference and District meets at their Woodridge course. Leading the way for the Trojans were returning lettermen Larry D'Anza and Greg Feltz. Rounding out the squad were Steve Williamson, Dave Blaida, Keith Lezatte and transfer student Greg Marthaler. The sophomore golf squad also played well with a nucleus of four returning numeral winners.

## Tennis Teams Face Heavy Schedule

The 1971 TENNIS team began a tough conference season with the opener against York. Leading the team were returning lettermen Peter Phelps and Brian Giesche, the number two doubles team, and the number one singles man, sophomore Dick Baxter. The number one doubles team was made up of juniors Steve Berch and Kim Lezatte. Coach Ron Jakes took an optimistic viewpoint concerning future Downers North tennis teams referring to Coach Bob Gorsche's sophomore squad as "a fine bunch of upcoming tennis players."

Other seniors were Gary Strakshus and Tim Gunn. The team was further strengthened by the addition of seven juniors who, as sophomores, were conference champions with a 13-1 record.

The sophomore squad, coached by Bruce Johnson, also had a winning season backed by the pitching of Jim Reinert and Rusty Stauch.

## Class of '74

Becoming a part of DGN; learning the school song, finding the right rooms, and coping with the heavier academic load, finally resolved into routine for the 516 freshmen. Blase upperclassmen combined put-downs with amusements as the Class of '74 plunged into high school life with a mixture of enthusiasm and fear.

After electing four class officers from a selection of eight female candidates, freshmen united to work on banner day, the homecoming float, and other money-raising affairs.

Beginning the year with strangers, ending it with friends, the freshmen found themselves an acceptable addition to the student body.

## Class of '73

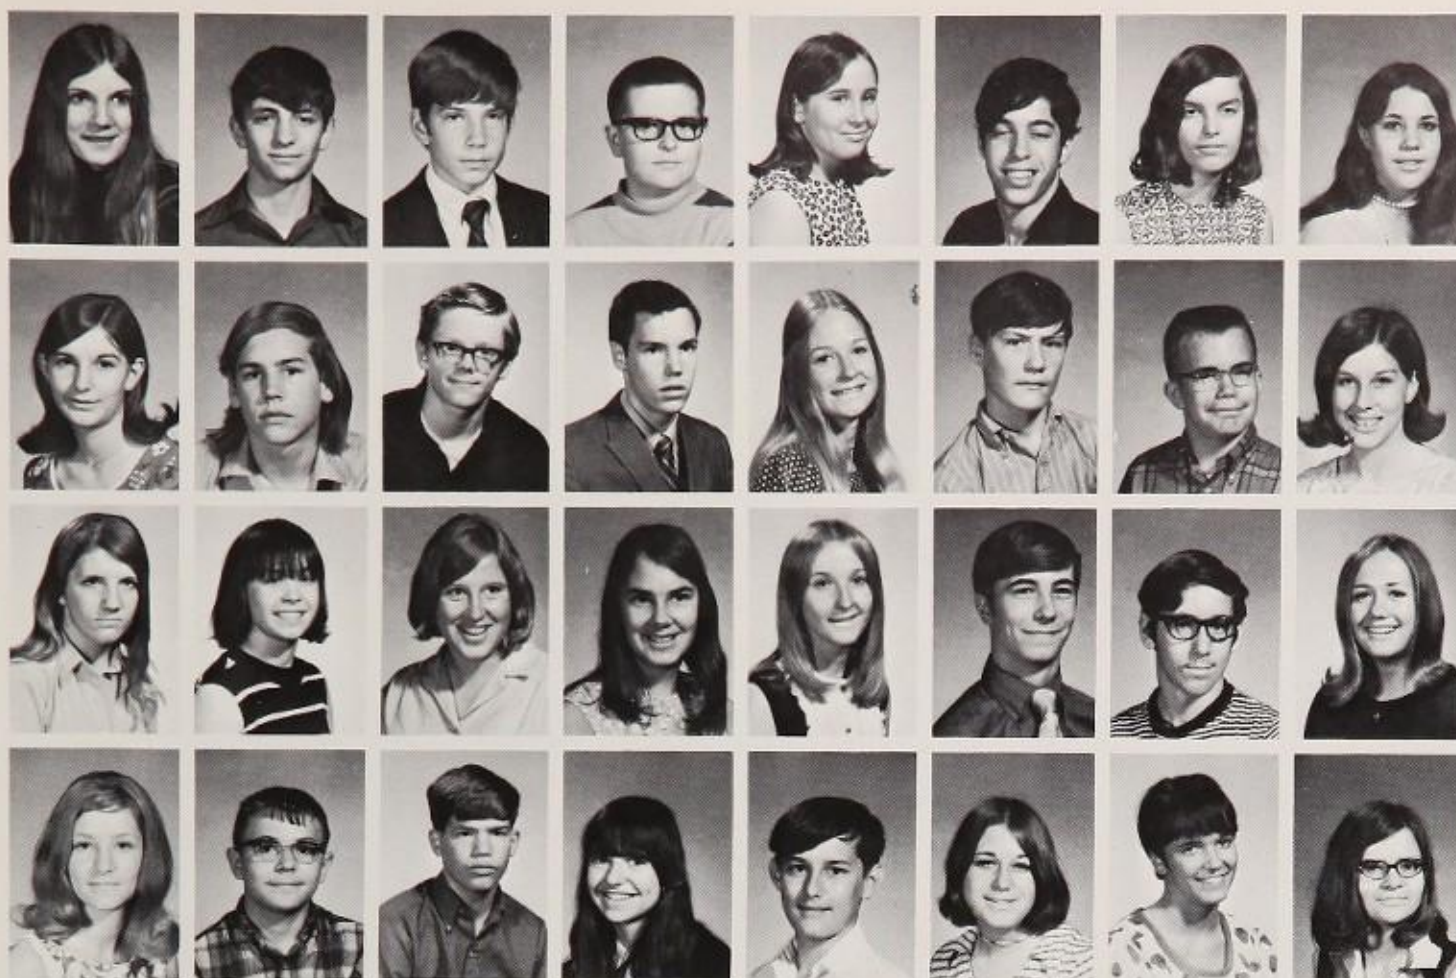

Bridging the gap between mature upperclassmen and adolescent freshmen were the sophomores. After a year's experience at DGN, the class of '73 came back in the fall with a newly acquired sense of familiarity and comfort.

Building upon their freshman record of school spirit and class loyalty, the sophomore won 2nd place honors in the homecoming float competition. With eyes on the future, sophomores held candy sales and a variety show to strengthen their treasury. With the acquisition of driver's licenses, sophomores enjoyed more independence than ever before. Assaulted by a barage of new ideas from higher levels, sophomores became more aware of themselves and their environment, and began the formation of opinions and ideals vital to their future.

## Class of '72

With the arrival of classrings, juniors proudly displayed the badge of their rank. As upper-classmen, juniors enjoyed the advantage of feeling comfortable in new surroundings without the strains of college admittance and end-of-high-school decisions. While some juniors chose to participate in varsity and junior varsity athletics, others sought the financial security of outside employment. All found time for recreational activities of some sort. The class of '72 upset the seniors, taking first place in Banner Day competition, though falling into third place in the building of Homecoming floats. As spring arrived, juniors turned their attention to class rank struggles and the need for knowledge in the face of SAT's, ACT's and NMSQT's. Finally, with the election of class officers, juniors realized that only a single year separated them from the beginning of a new way of life.

# Class of '71

Easy to recognize by their knowledgeable and slightly smug exteriors, seniors presided over clubs and led athletic teams, becoming models for underclassmen to look up to. Self-assured seniors began the year with enthusiasm and pride as the class of '71 won first place in the homecoming float competition. Traditional senior activities including homecoming float, prom, and commencement kept class members working together, providing a sense of unity and loyalty. In addition seniors produced and participated in an unprecedented two powder puff games. Seniors occupied a unique place in school affairs. Yet, because of their status seniors were faced with important and difficult decisions, decisions that were easy to put off, but impossible to escape entirely. For most seniors, June came too soon. Looking back, it seemed impossible that this year, that four years had passed so quickly.

# Seniors Dress Up, Step Out, as Prom Night Arrives

Seniors donned formals and tuxes and became part of the mood of the evening as the long-awaited Senior Prom became a reality Friday, June 4, at the O'Hare Inn. The class of '71 danced to the music of two bands, Ronnie Rogers and His Orchestra and The Chicago Fire.

The Prom Board, devoted many hours to planning and organizing the affair. To insure the prom's financial success, the senior class, under the supervision of Mrs. Judith Carithers, participated in a variety of fund-raising projects throughout the year, including the Powder Puff Basketball game and candy sales.

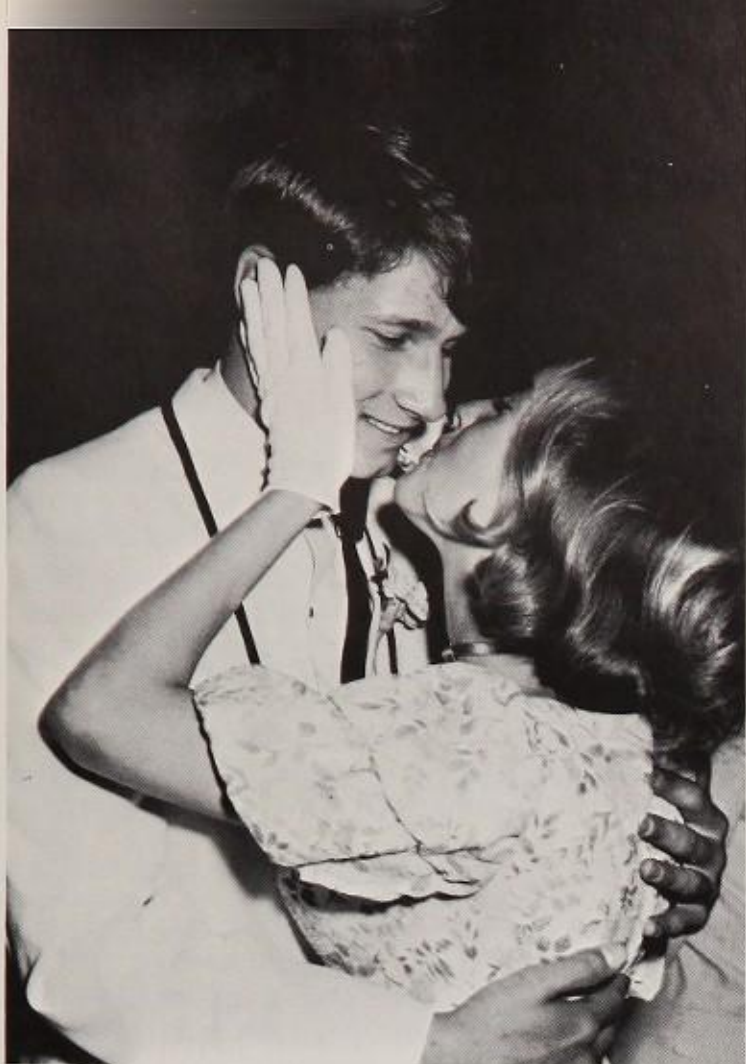

Bruce McClure finds the photographer a distracting influence on his date, Lynda Auten.

Julie Marchese and Dan Liberty only have eyes for each other.

Brian Giesche and Cathie Ashworth are carried away by the romantic mood of the evening.

Kathy Coultier and Pat O'Flaherty are caught at the refreshment table.

Math,

I'm really glad you changed schools, just think if you didn't we probably wouldn't be like this. You've really made school a lot more fun for me. I just hope that with you going away in August, and you going to College, that you don't change, because we can really have a lot of fun together. (as we have found that out already) Well it's been four months I wonder if it will make eight more, it seems like a long way off, but look how fast the four months went. Who knows, it may ~~be~~ last more than a year. But only time will tell, I guess. You've really made my freshman year a success. It's just three more years and you'll probably be going to another prom. I really enjoyed myself that night.

I can only say so much, because pretty soon I'll be repeating myself.

Thanks for making it a "great" freshman year for me.

Love always,  
Carol

P.S. I lov you
